Disasters:
Declaration Number
FEMA-4086-NJ

Disaster Damage:

Housing:

New Jersey's CDBG-DR Action Plan detailed the substantial damage that Superstorm Sandy caused to the State's housing sector. While damage from Superstorm Sandy occurred throughout the state, housing damage was particularly concentrated in communities bordering or near the Atlantic Ocean or the Hudson River. Many of these communities were flooded by Sandy's storm surge. FEMA Individual Assistance data as of March 12, 2013 reflected that the greatest concentrations of housing damage were located in the following counties: Atlantic (12%), Bergen (3%), Cape May (4%), Essex (2%), Hudson (6%), Middlesex (5%), Monmouth (16%), Ocean (35%) and Union (6%).

Superstorm Sandy significantly affected both homeowner and rental properties. Based on FEMA Individual Assistance data effective March 12, 2013, approximately 40,500 owners' primary residences and over 15,600 rental units sustained "severe" or "major" damage according to classifications made by HUD. Moreover, many residences were "substantially damaged," meaning that damages exceed 50% of the homes pre-disaster value. In total, the FEMA data from March 12, 2013 indicated that 59,971 owner-occupied homes and 21,900 rental units sustained some level of physical damage from the storm. As referenced in the State's Action Plan, these figures likely underestimate the breadth of Superstorm Sandy's impact on the housing sector.

The storm's impact on low- to moderate-income (LMI) households in New Jersey was particularly pronounced. FEMA Individual Assistance data as of March 12, 2013 demonstrated that of applicants who reported major or severe damage to their homes, 49% were LMI households. Moreover, 74% of renters that reported damage to their homes to FEMA were LMI households. While LMI households throughout the State were affected by the storm, the most impacted LMI households generally were within the counties with the greatest concentrations of damage, identified above.

Economic Development:

Superstorm Sandy devastated many businesses in New Jersey, causing substantial commercial property damage and short-term and long-term business operations losses. In addition to the physical damage Sandy caused to businesses themselves, widespread power outages resulted in inventory losses and working capital losses. Damage to public infrastructure such as roads, rail and bridges as well as compromised water utility systems and gas unavailability compounded those damages. This explains why data compiled soon after the storm suggested that businesses within 113 of New Jersey's 565 municipalities incurred a combined $382,000,000 in commercial property losses and another $63,900,000 in business interruption losses. While Superstorm Sandy caused damage across all state industries, some industries -- particularly the tourism industry -- were substantially affected.

The storm also is estimated to have affected over 1,000,000 employees in New Jersey's workforce. Data compiled in the months after the storm indicates that approximately 138,000 workers filed unemployment claims in November 2012, the first full month after Superstorm Sandy. By comparison, unemployment claims in November 2011 totaled 54,443 claims.

Infrastructure:

Superstorm Sandy's storm surge and associated flooding extensively impacted New Jersey's infrastructure. Critical facilities and assets throughout the State were directly damaged. Sandy left nearly seventy percent of ratepayers statewide without electricity. Water and wastewater treatment facilities were unable to sustain operations. Roads experienced significant damage from extensive flooding and sustained winds resulted in debris that made critical evacuation routes impassable. Rail and other public transit systems, which suspended operations in anticipation of the storm, were substantially damaged.

Recovery Needs:

Housing:

New Jersey estimated in its Action Plan an unmet need in the housing sector totaling $2,504,993,992. The State calculated that figure by adding estimated repair and replacement costs and estimated costs for required elevations to reach a total need figure. The State then subtracted funding provided from other sources such as private insurance, FEMA, and SBA, to reach the unmet need. As stated in the Action Plan, this figure likely understates the extent of New Jersey’s housing needs.

Economic: New Jersey estimated in its Action Plan an unmet need in the economic sector of $1,727,813,413. The State calculated that figure by adding...
estimated commercial losses and business interruption losses to arrive at a total need figure. The State then subtracted funding provided from other sources, such as commercial insurance and SBA. As stated in the Action Plan, this figure does not account for long-term losses or systemic impacts to the State’s key economic base, notably the tourism and coastal real estate market. As a result, this figure likely understates the extent of New Jersey’s needs in the economic sector.

Infrastructure: New Jersey estimated in its Action Plan an unmet need in the infrastructure sector of $25,432,594,266. The State calculated that figure by adding estimated damage costs to needed hazard mitigation measures to arrive at a total need figure. The State then subtracted funding provided from other sources, such as FEMA Public Assistance. As stated in the Action Plan, these figures are preliminary and subject to change.

Affirmatively Further Fair Housing:

The State is committed to affirmatively further fair housing through its housing programs, following all applicable federal and state statutes and regulations, and enforcing fair housing laws. The State will ensure that housing assistance relating to Superstorm Sandy recovery is prioritized and allocated solely based on disaster-related need, without regard to race or ethnicity. Information relating to demographics of impacted communities will be utilized to ensure that assistance is accessible and reaches New Jerseyans in need. In support, the State, among other things, has stood up household assistance centers in each of the nine most impacted counties to assist residence and communities with recovery programs and the application process.

**Overall Progress Narrative:**

The State of New Jersey, Department of Community Affairs (DCA), as the grantee of Community Development Block Grant–Disaster Recovery (CDBG-DR) funding allocated to New Jersey by the U.S. Department of Housing and Urban Development (HUD) for Superstorm Sandy recovery, has prepared this Quarterly Performance Report addressing CDBG-DR funding and expenditures through the third quarter of 2015 (July-September).

This Quarterly Performance Report shows that, through September 30, 2015, New Jersey expended more than $1.57B in CDBG-DR funds. The State is administering 27 CDBG-DR funded programs addressing unmet needs in the aftermath of Sandy. Among other things, the programs: assist in the repair, reconstruction and mitigation of storm-damaged owner-occupied and rental housing; provide capital to impacted small businesses and investments in economic development to affected communities; enable post-storm planning; support resiliency and infrastructure initiatives; and assist local governments and public entities in hard-hit areas to ensure that essential public services can continue to be provided. As a direct result of these programs, avenues for assistance from recovery partners at all levels of government, and help from volunteers, stakeholder organizations and Sandy-affected New Jerseyans, New Jersey continues to make significant progress in recovering from the storm.

Of particular note in the third quarter, the State received HUD approval to increase the allocation to the LMI Homeowners Rebuilding Program by $29M to $69M in order to ensure all eligible applicants of the program receive grant assistance. Also, nearly 2,000 homes have completed construction in the RREM Program, and DCA, through the third quarter, had disbursed more than $631M to RREM homeowners, which is more than half the projected disbursement total.

The report that follows highlights New Jersey’s momentum in implementing and executing CDBG-DR funded recovery programs, momentum the State expects will continue in the coming quarters. There is still a great deal of work ahead, and the State remains committed to helping families, businesses and communities recover from the worst natural disaster in New Jersey’s history.

**HOUSING RECOVERY ACTIVITIES:**

New Jersey is administering 13 housing recovery programs funded with CDBG-DR monies. The primary focus of these programs is on the reconstruction or rehabilitation of Sandy-damaged, owner-occupied housing units, and on repairing or replacing affordable housing stock in the counties most affected by the storm.

The RREM Program, which is the State’s largest CDBG-DR program, provides grants of up to $150,000 to eligible homeowners to reconstruct, repair, elevate or undertake mitigation measures for their storm-damaged primary homes. The RREM Program prioritizes LMI applicants and applicants with homes that sustained the greatest damage.

The State received access to the third and final round of CDBG-DR funding for the RREM Program in spring of 2015 with HUD’s approval of Action Plan Amendment Nos. 11 and 12. Well in advance of HUD’s approval, the State committed to use the third round funds to assist all eligible homeowners in the RREM Program. As part of this commitment, DCA in previous quarters proactively contacted every eligible homeowner to encourage them to return critical forms needed to expedite calculating their grant award and to conduct the necessary inspections of their property.

This extensive outreach and front end work allowed DCA to sign grant award agreements with 93 percent of eligible applicants in the RREM Program by the
close of the third quarter. By the end of the fourth quarter, the State projects that the RREM Program will have very few grant award agreements left to sign.

More than 4,000 projects were in construction at the close of the third quarter and nearly another 1,600 were preparing to start construction activities. The efforts of this vigorous RREM Program activity resulted in more than $631M of CDBG-DR funding being disbursed to eligible RREM applicants by the end of the third quarter.

Riding this momentum, 540 RREM projects completed construction in the third quarter of 2015 alone. With the addition of these projects, the total number of completed homes through the end of the third quarter increased to 7,973. Also, nearly $133M was expended in the RREM Program in the third quarter.

The Low-to-Moderate Income (LMI) Homeowners Rebuilding Program, a companion to the RREM Program, was launched in the first quarter of 2015 to provide recovery assistance to homeowners whose homes were damaged by Superstorm Sandy. As of the end of the third quarter, 198 LMI homeowners whose homes were damaged by Sandy have been approved to receive $900 to $16,000 in matching funds to help them complete repairs. The program includes an initial reserve of funding for owners of manufactured housing units/mobile homes to ensure that this unique population receives the assistance it needs. The program’s robust outreach effort, undertaken in coordination with housing stakeholder groups and other recovery partners, included door-to-door canvassing, community events and advertisements on multiple media platforms.

Although DCA originally allocated $40M to the LMI Program, an additional $29M was added in the third quarter with HUD’s approval of Action Plan Amendment No. 16 in order to ensure that all of the approximately 500 eligible applicants can receive funding.

During the third quarter of 2015, DCA continued to urge all eligible LMI Program applicants to complete and return a Right of Entry form and Duplication of Benefits Questionnaire to start their grant process. As applicants submitted these critical forms, site inspections of the storm-damaged residences were done in order to prepare preliminary cost estimates of work completed and work remaining and the New Jersey Department of Environmental Protection (DEP) conducted federally mandated environmental and historical reviews of the damaged homes to ensure there were no negative impacts to the environment and/or any historical or architectural artifacts. By the first week of October 2015, LMI Program applicants had begun signing grant award agreements. The State anticipates that nearly all LMI Program grant award agreements will be signed by the end of the first quarter of 2016.

To further assist RREM Program and LMI Program participants, DCA continued to host Housing Recovery Information Sessions in communities that were hard hit by Sandy. The Department hosted 26 Housing Recovery Information Sessions by the end of the third quarter of 2015 and has already held and scheduled additional sessions in the fourth quarter. More than 1,600 homeowners have attended the sessions where they receive one-on-one assistance from program staff. Homeowners can use the Information Sessions as an additional opportunity to dress issues, determine new action items, and further educate themselves about the programs as they move through the process. They can also meet with representatives from the DCA’s Sandy Recovery Division, Housing Recovery Centers, Program Managers, DEP and the NJ Division of Consumer Affairs.

Moreover, HUD-certified housing counseling agencies are present at every Information Session to provide assistance to homeowners. The housing counseling agencies are part of the Sandy Recovery Housing Counseling Program, which launched in December 2014 in an effort to provide comprehensive housing-related assistance to all residents affected by the storm. The housing counseling agencies provide free HUD-certified guidance on a wide array of housing-related issues. As part of the counseling process, counselors develop a customized counseling program specific to the needs of the household based on information provided by the Sandy-impacted household. The counseling plan can include individual or group counseling services in such areas as foreclosure prevention, homelessness prevention, mortgages, budgeting, rental guidance, and pre/post-home purchase counseling. In the third quarter, 214 households received housing counseling services from the program’s housing counseling agencies and nearly $700,000 was expended.

Also, for homeowners in the RREM Program or the LMI Program who are paying rent because they are displaced from their home by storm damage or construction, the State during the second quarter launched the Sandy Rental Assistance Program (RAP). The RAP Program, which is funded by Social Services Block Grant funds allocated by the U.S. Department of Health and Human Services, provides direct rental assistance of up to $1,300 per month for up to nine months. In the third quarter, the State expanded RAP program rental assistance to all eligible RREM and LMI Program applicants as opposed to only serving applicants simultaneously paying a mortgage and rent. This expansion coincided with the federal government’s approval in August of the State’s request to extend the deadline for expending all RAP Program funds to September 2017 and to increase total program funding by $10M to $19.5M.

By the end of the third quarter of 2015, more than 1,350 applications for RAP assistance had been received, of which approximately 1,185 had been approved. Notably, RAP builds out on previous programs that provided funding that could be used for direct rental assistance, including FEMA Individual Assistance, the Homeowner Resettlement Program, and the Working Families Living Expenses Voucher Program (also known as SHRAP).

For Sandy-impacted homeowners, the State also committed $100M in CDBG-DR funding to DEP’s Sandy Blue Acres Buyout program to purchase residential properties from willing sellers in repetitive flooding areas at pre-storm values to move families out of harm’s way and create open space to protect against flood events. The CDBG-DR contribution to the buyout program builds on other funding that has been committed for the program, which in total will exceed $300M. For the buyout program overall, 500 offers have been accepted, 400 purchases have been made and more than 250 properties already have been converted to open space. With respect to CDBG-DR funds, buyouts are underway in two municipalities (Old Bridge and Linden) with 63 offers made and 41 accepted and moving toward closing. Additionally, 33 properties in Rahway have been identified as potential CDBG-DR buyouts targets.

During the third quarter, the State also continued to focus on serving the recovery needs of renters and on repairing or replacing affordable rental units damaged or destroyed by Sandy.

The Sandy Tenant-Based Rental Assistance Program (TBRA), which launched in the first quarter of 2015, will provide up to 24 months of tenant-based rental assistance to an estimated 1,100 eligible households. It is designed to assist households that were affected by Sandy that continue to need rental assistance, and that plan to rent in one of the nine most-impacted counties as determined by HUD. Priority is given to households at or below 30 percent of Area Median Income. Following extensive outreach in targeted storm-impacted areas, the application period closed in the second quarter with approximately 3,100 applications submitted. A lottery was conducted and all applicants were assigned a randomized number. By the end of the third quarter, DCA sent all applications to 1,900 individuals selected in the lottery and is currently working with them to determine their eligibility. The program has issued vouchers to 143 eligible individuals, who are now in housing search. All applicants have been notified about where they are in the program’s process.

The State’s largest affordable rental housing recovery program is the Fund for Restoration of Multifamily Housing (FRM) program administered by the New Jersey Housing and Mortgage Finance Agency (HMFA). In the aggregate, the State has committed $591.5M of the three allocations of CDBG-DR funds to the FRM Program, which finances the development of affordable rental housing in the nine counties most impacted by Sandy. Of this amount, $30M has been initially reserved for repairs to public housing authorities and developments as well as other federally funded housing that was damaged by Sandy.

Through the end of the third quarter, 20 FRM-funded housing projects were complete, creating about 1,600 units. Another 13 were under construction and will create nearly 800 more units once finished. Also, 19 more projects have been awarded FRM funds and, upon completion, should create about 1,900 units. These figures do not account for additional units that will be created by funds that will be awarded in future quarters through the third FRM funding round.

All totaled, the availability of more than 4,000 units of rental housing through the FRM Program will enhance access to affordable housing opportunities, assist in meeting the state’s overall affordable housing goals, and will help moderate and stabilize rental prices by increasing rental unit supply. The FRM Program is also creating jobs and serving as a source of local and state taxes and economic growth in the local economy.

While priority is given to shovel-ready projects, these FRM projects still take time to build; therefore, the FRM Program was not intended as an immediate housing solution for Sandy-impacted residents, many of whom are now in permanent housing, but to replenish affordable housing stock in the counties most affected by Sandy as an important feature of long-term recovery and revitalization from the damage Sandy brought. Nonetheless, during the first 90 days of lease up for any FRM-funded project, developers must prioritize Sandy-impacted households who may be still seeking an affordable rental housing solution.

Residents seeking prioritization within the first 90 days complete a Certification Form describing that they were displaced, suffered major or severe damage to their residence or experienced financial distress related to housing as a result of Sandy. They must also provide documentation demonstrating impact from Sandy.

A companion program to the FRM Program is the Sandy Special Needs Housing Fund (SSNHF), which provides funding to repair or replace storm-damaged permanent supportive rental housing units for special needs populations, including individuals with mental, physical, or developmental disabilities. The State has committed $60M of the three allocations of CDBG-DR funds to the SSNHF program. Thus far, SSNHF funds have been committed across 35 projects that are expected to create 260 affordable housing opportunities for individuals with special needs. As of this reporting period, 13 projects financed through SSNHF are under construction and five have completed construction.

DCA has also designed and implemented other programs to spur the development of affordable housing to address Sandy’s impact on rental housing stock.

One such effort includes the Neighborhood Enhancement Program (NEP), which returns abandoned, vacant or blighted housing to viability by providing no-interest zero-interest loans to eligible applicants to purchase and rehabilitate foreclosed, blighted or abandoned properties, including underutilized, vacant lots, in participating communities in the nine most-impacted counties. DCA has awarded 33 zero-interest loans totaling $25.6M that will help finance 170 units of affordable housing. All NEP projects will create housing units serving households earning at or below 80 percent of Area Median Income. As with the FRM program, NEP developers must affirmatively market the units in Sandy-impacted communities to people who remain displaced by Sandy, and priority in the first 90 days of lease-up is given to Sandy-impacted individuals who registered for FEMA assistance or who rented an apartment or owned a primary residence that was no longer habitable because of Sandy damage.

As of September 30th, the NEP Program had expended $13M, an increase from $10.5M at the end of the second quarter. Four of the projects are complete and occupied, providing 26 rental units. An additional 21 projects are under construction and another four projects are in pre-construction. DCA also is actively reviewing applications for an additional $100M round of NEP funding that was made available to Community Development Financial Institutions (CDFIs) and Community Housing Development Organizations (CHDOs). The 15 applications received represent a total funding request of $9.2M for projects that would create 80 housing units, including 74 rental units and six owner-occupied units. Recommendations for this final round of funding will be made in the next 30 days.

The Landlord Rental Repair Program (LRRP) supports the rehabilitation of damaged rental properties with 25 units or less by providing grants of up to $50,000 per unit, and requires that rehabilitated housing units be leased at affordable rates to LMI tenants. Through the close of the third quarter, 480 rental property owners (representing 739 housing units) had signed an LRRP grant agreement. This is an increase from 420 rental property owners (representing 546 housing units) through the end of the second quarter. Through the third quarter, 118 properties (representing 152 units) completed construction through LRRP, and 290 properties (representing 465 units) were under construction. Also, by the end of the third quarter, 104 of the completed housing units were leased at affordable rates to LMI tenants, an increase from 80 leased units at the end of the previous quarter.

In the third quarter, the Landlord Incentive Program continued to make progress in providing rental property owners with funds to make it possible for them to rent affordable units at rates affordable to low-income families for two years. As of September 30, the State had approved 91 program applications totaling $74 affordable rental units, obligated approximately $13.7M, and signed leases with 449 low-to-moderate income households.

CDBG-DR funds are also assisting non-profit developers at the early stages of affordable housing projects with the soft costs of development, including project feasibility studies, legal fees, soil studies, site preparation, appraisals, and surveys. Assistance is provided through the Predevelopment Loan Fund for Affordable Rental Housing, administered by the New Jersey Redevelopment Authority (NJRA). In this reporting period, NJRA closed a loan to the Premier Community Development Corporation for a total of $500,000. The grant will help eligible pre-development expenses for the development of a 65 unit affordable housing complex. Also in the third quarter of 2015, approximately $193,000 was expended for projects already awarded Predevelopment loans.

Other projects to receive assistance through the program include: the conversion of a former hotel in Egg Harbor Township, Atlantic County, into 84 units of affordable housing; the redevelopment of former brownfield sites in Jersey City into 64 units of affordable housing; and the redevelopment a 100 unit Senior Housing building in Port Monmouth, Monmouth County that was directly damaged by Superstorm Sandy.

Finally, HMFA continues to administer the Sandy Homebuyer Assistance Program, which helps LMI families, many who were previously renters, become homeowners. The program provides an interest-free, forgivable mortgage loan of up to $50,000, which can assist eligible families with the funding required to purchase a home within the nine most-impacted counties. As long as loan recipients abide the program’s terms, including maintaining the home as their primary residence for five years, the mortgage loan will be fully forgiven. During this reporting period, 27 low and moderate income homebuyers closed on loans to help buy homes in Sandy affected communities and more than $1.7M in funding was expended. As of the end of the third quarter of 2015, the State was more than halfway to the program’s goal, with approximately $17M expended to assist a total of 325 families.

ECONOMIC RECOVERY AND REVITALIZATION ACTIVITIES:

The New Jersey Economic Development Authority (EDA) continues to administer CDBG-DR funded programs focused on economic recovery and revitalization efforts. Nearly $120M in assistance has been provided to more than 1,100 Sandy-impacted small businesses through the Stronger New Jersey Business Grant and Loan programs. Additionally, the EDA has approved nearly $64M for 33 municipal projects through the Stronger NJ Neighborhood and Community Revitalization (NCR) rogra, which provides funding for specific types of community development projects in storm-impacted areas. This brings the total assistance approved for small businesses and communities to more than $184M.

Specifically, in the third quarter of 2015, approximately $12.3M in economic recovery and revitalization assistance was expended. Also in this quarter, businesses reported that approximately 124 jobs were created or retained due to grant and loan programs for storm-impacted businesses.

The Stronger NJ Business Grant Program, capitalized with $100M of CDBG-DR funds, provides grants of up to $50,000 to storm-affected businesses for working capital or construction needs. As of September 30, 2015, EDA had approved 1,118 small businesses for recovery assistance totaling approximately $55.3M, with over 600 businesses receiving at least one disbursement for a total of $33.2M in grant funds disbursed. Approximately $2.1M in grants have been disbursed during the third quarter. Based on information reported by businesses, EDA estimates that 69 jobs were retained and 28 jobs were created this quarter as a result of this program. Since inception, the cumulative number of jobs reported as created and retained as a result of the grants is 2,889.

The Stronger NJ Business Loan Program, also capitalized with $100M of CDBG-DR funds, provides loans of up to $50K to help businesses to rebuild and expand. As of the close of the third quarter, EDA had approved 81 businesses for loans and awarded more than $64M in assistance to businesses throughout the State. Fifty-nine businesses have received program disbursements totaling approximately $44.3M. More than $2M in funds was expended during the third quarter. As a result of the Stronger NJ Business loans, businesses have reported that 22.5 jobs were retained in the third quarter of 2015. Also, 4.5 jobs were reported by businesses as created in the third quarter, bringing to 592 the total jobs created and retained through the loan program.

While the Stronger NJ Business Grant and Loan programs are designed specifically to address the needs of storm-impacted small businesses, the Stronger NJ Neighborhood and Community Revitalization Program spurs economic recovery and revitalization by investing in communities. Capitalized with $75M of CDBG-DR funds, NCR consists of two initiatives: the Streetscape Revitalization Program and the Development & Public Improvement Program.

The $12M Streetscape Program provides grants of up to $1.5M to support various “Main Street” revitalization projects including streetscapes, lighting, sidewalks, facade enhancements, and code-related and other physical upgrades to commercial areas. Fifteen projects have been approved in locations such as Belmar, Highlands, Keansburg, Long Branch, Margate, Neptune, Oceanport and Sea Isle City. By the end of the third quarter of 2015, all 15 projects had completed environmental clearance and received authorization from HUD to proceed, with 12 executing a sub.recipient award agreement. Construction has already begun on Streetscape Program projects in Highlands, Keansburg, and Margate. Most of the other projects anticipate breaking ground in the fall of 2015.

The NCR Development & Public Improvement Program provides grants and loans to projects that contribute to the revitalization of Sandy-damaged areas, serve LMI areas, create or maintain LMI jobs, remove slum or blight, or address an unmet need related to Sandy. The program consists of 20 construction-related projects, with two projects already completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have completed their environmental clearance review and received authorization from HUD to proceed, with eight executing a sub.recipient award agreement. Construction has started in Jersey City. Most of the other projects anticipate breaking ground in the fall of 2015.

SUPPORTIVE SERVICES, ASSISTANCE TO LOCAL GOVERNMENTS AND PLANNING ACTIVITIES:

Over the last three years, the Essential Services Grant (ESG) Program, administered by DCA’s Division of Local Government Services, has provided competitive
grants to eligible local government entities in communities hit hard by Sandy. The grants fill the unmet needs gap between a local government's Sandy generated revenue losses and the monies the local government received from private insurance and all available federal assistance programs such as FEMA Public Assistance and the FEMA Community Disaster Loan Program. If not for these critical public services such as public safety, public works, sanitation, education, etc. The grants have also provided a foundation for the State’s housing and economic recovery programs to work in that they have allowed the communities to remain attractive, which helped encourage families and businesses to stay and rebuild.

Since the program began in May 2013, approximately $132.5M in Essential Services Grant awards has been approved for 20 local governmental entities. The local governments include Asbury Park, Atlantic City, Brick, Brigantine Board of Education, Downe, Highlands, Keansburg, Kearnsburg Board of Education, Lavallette, Moonachie, Ocean County, Pinelands Regional Board of Education, Sea Bright, Seaside Heights, Seaside Heights Board of Education, Seaside Park, Toms River Township, and the Toms River Board of Education.

Of the $44.9M and $42M awarded in Essential Services Grants in 2013 and 2014 respectively, all funding has been disbursed. In the second quarter of 2015, DCA awarded $44.6M in Essential Services Grants to continue assisting local government entities in maintaining critical services while communities rebuild. DCA is disbursing this third round funding as the federally required sub-recipients agreements with the local government entities are executed. In the third quarter of 2015, more than $3.6M in Essential Services Grant funds was expended.

To help Sandy-impacted local governments plan rebuilding efforts that promote resilience and encourage economic growth, the State created the Post-Sandy Planning Assistance Grant Program, which is administered by DCA. DCA has approved planning grants for approximately 50 local governments, obligating $7.3M as of the close of the third quarter. Specifically in the third quarter, one local government completed its Strategic Recovery Planning Report, which is the first phase of the program, and DCA executed sub-recipients agreements with 4 local governments for Phase 2 planning activities, which directly address the impacts identified in their Strategic Recovery Planning Reports. Nearly half a million dollars was expended in the third quarter.

To further assist resiliency planning, DCA in the first week of October 2015 launched the Statewide and Regional Planning Assistance Grant Program to provide funding to non-profit organizations, universities or colleges to support research projects whose results or products can be applied to pre-disaster planning and recovery-related actions with the potential to benefit a defined region or the entire state. Thus far, more than 50 institutions participated in a webinar information session about the program and indicated their intent to apply.

DCA also is administering a building code enforcement initiative to assist hard hit communities in conducting commercial and residential building inspections. The initiative has helped ensure that structures are rebuilt to standards that are safe for occupancy and up to code. In the third quarter of 2015, approximately 7,700 building code inspections were conducted under this program. These inspections were completed in Sandy-impacted towns such as Brick, Keansburg, Lavallette, Little Egg Harbor, Manasquan, Mantoloking, Point Pleasant Beach, Point Pleasant Borough, Seaside Heights, Toms River, Union Beach, and Ventnor.

In complement to the building code enforcement initiative, the State developed the Zoning Code Enforcement Grant Program to provide financial support to municipalities related to the enforcement of state and local development and zoning code regulations. Grant funds are intended to help local governments respond to increasing zoning approval needs and cover the costs of construction and the overall recovery effort. Through the third quarter of 2015, grant funding had been expended to assist the Sandy-impacted towns of Brick, Highlands, Lavallette, Little Egg Harbor, Seaside Park, Toms River, Union Beach, and Little Silver. DCA anticipates providing additional assistance to these towns in upcoming quarters. Other, communities, including Sea Bright, have requested assistance through this program.

Related to the building and zoning code enforcement efforts described above, the State is seeking to help Sandy-impacted communities that are at risk of storm-related blight. The Unsafe Structures Demolition Program was established to tear down storm-damaged vacant and abandoned residential structures in municipalities most impacted by Sandy that were not addressed through FEMA's Private Property Debris Removal Program or by homeowners. Participating municipalities identified vacant, unsafe residential structures in their communities and provided that information to DCA. In previous quarters, DCA completed inspections of all buildings identified by the municipalities for demolition, ran title searches to identify the property owners, and obtained signatures from the property owners to seek their consent to the demolition. Lienholders also were notified of demolition efforts. As of the close of the third quarter, there are approximately 95 eligible properties moving forward for demolition under the program. Results from Tier 2 environmental reviews continue to be received from the Homeowners Environmental Protection for remaining eligible properties. The State is procuring the services of design engineering firms for properties that have cleared the environmental review stage.

The State is also seeking to assist individuals in Sandy-affected housing who are at risk of lead hazards. Through the Lead Hazard Reduction Program (LHRP), DCA awarded competitive grants to eligible non-profit organizations and local government entities to enable them to perform lead assessments and remediation in Sandy-impacted homes, which are potentially greater at risk of lead threats due to flooding that caused lead-based paint to flake. In the third quarter of 2015, the State is瓜到 the submission of completed applications. As of the close of the third quarter, a total of 21 completed applications have been returned for review.

**INFRASTRUCTURE ACTIVITIES:**

The State continues to prioritize the need to rebuild stronger as well as improve the resiliency of existing infrastructure and flood protection measures. Several CDBG-DR funded programs support these goals.

The State has allocated $225M to the Non-Federal Cost Share program to cover the match required by the State associated with various federal funding streams (e.g., FEMA Public Assistance; Federal Highways Administration; Environmental Protection Agency). For FEMA-funded projects, the CDBG-DR funds serve to fund the 10 percent match required by the State on CDBG-eligible projects. In the third quarter of 2015, nearly $700,000 was expended in FEMA match for such projects as emergency protective measures, roads and bridges, water control facilities, public buildings and equipment, and utilities.

Other cost-share projects are currently under environmental review.

Additionally, the extensive damage and impacts resulting from power outages at critical facilities caused by Superstorm Sandy prompted the State to create the Energy Resilience Bank (ERB). The ERB, administered by EDA with assistance from the NJ Board of Public Utilities (BPU), is capitalized by $200M of CDBG-DR funds to support energy resilience projects that were distributed energy systems (solar plus storage) that are able to continue to operate even when the electric grid fails. These resilient energy technology investments will make the critical facilities, and by extension, the families, businesses and communities they serve, less major outages arising from future severe weather events and other emergencies.

The initial ERB funding focuses on wastewater and water treatment facilities. Outreach is ongoing to potential wastewater and water treatment plant applicants, including municipal, county and regional utility authorities to discuss and review potential projects. The second round operation under ERB for hospitals and healthcare facilities is expected to be launched in the fourth quarter of 2015.

The Flood Hazard Risk Reduction and Resiliency Grant Program is another infrastructure initiative funded with CDBG-DR monies. Administered by DEP, the program consists of an infrastructure component to support communities with shovel-ready flood hazard risk reduction infrastructure projects as well as an asset preservation component to support flood protection projects on the shore being undertaken by the Army Corps of Engineers. The application period for the infrastructure program has closed. Five conditional awards cumulatively totaling more than $18.5M were made in the second quarter of 2015 to Atlantic City, Belmar, Brigantine, Little Ferry and Spring Lake. In the third quarter, all grant awards were undergoing environmental review and DEP began staffing up the program to handle construction oversight activities. Approximately $240,000 and $550,000 was expended as of the third quarter for infrastructure projects and acquisition projects respectively.

Finally, in the third round of CDBG-DR funds allocated to New Jersey, HUD awarded $380 million for two projects developed through HUD's Rebuild By Design (RBD) competition. HUD selected and awarded two projects for the State of New Jersey: the New Meadowlands Project ($150M) and the Hudson River Project: "Resist, Delay, Store and Discharge" ($230M). DEP is overseeing implementation of both RBD initiatives, which made progress in the third quarter of 2015.
In the third quarter, the Meadowlands RBD project continued to work toward securing a qualified consultant to complete the Feasibility/Environmental Impact Statement, Design and Construction Administration for the project. The New Jersey Department of Treasury also worked to finalize the Request for Proposals for a construction management firm that will assist DEP in overseeing the consultant. The team pursued access agreements with the Meadowlands Commission, municipalities and the Bergen County Utilities Authority in the third quarter and in the future will begin to pursue access agreements with private property owners within the conceptual project area. Approximately $190,000 was expended on the Meadowlands RBD project in the third quarter.

In the third quarter, the Hudson River Project Rebuild by Design Team continued work on a Feasibility Study and Environmental Impact Statement (EIS). As part of this work, DEP’s engineer, Dewberry Engineers, Inc., has been gathering pre-existing information from local, county, state and federal governments; utility companies servicing the areas, and some private concerns that may have useful information, particularly about flooding. Dewberry also has been trying to locate sites in the project area that can be developed into green infrastructure. Additionally, they have installed groundwater monitoring wells and performed soil borings in the project area. A public meeting took place on September 24, 2015, to receive community input on the project’s scope and priorities. The meeting was well attended and well received by the community. Approximately $290,000 was expended on the Hudson River RBD project in the third quarter of 2015.

On the whole, the State, with the assistance of all of its recovery partners, continues to implement a holistic recovery approach that strategically addresses all affected sectors – including the housing, economic revitalization, infrastructure, and community capacity sectors – so recovery of one sector bolsters recovery of another. The State is also continually assessing the operational effectiveness of its recovery programs and making adjustments to improve performance. While much work remains to be done, this Quarterly Performance Report shows the consistent, positive and measurable progress that the State anticipates will continue in the months and years ahead.

*Please note - The CDBG-DR Awarded Contracts Report has been uploaded into the ADMN-DCA-R1 (DCA Administration R1) activity.

Total Funds Expended: $0.00 $57,698,631.40

New Jersey Department of Community Affairs $0.00 $57,698,631.40

Match Contributed: $0.00 $0.00

Activity Description:
Funding for the operating costs associated with day-to-day management of CDBG-DR programs. Round 1 05/13/13-05/12/15.

Location Description:
Trenton

Activity Progress Narrative:
The Sandy Recovery Division (SRD) of the Department of Community Affairs (DCA) was created in the aftermath of Superstorm Sandy to administer the CDBG Disaster Recovery (CDBG-DR) funds approved by Congress on January 29, 2013 and allocated to the State of New Jersey. Personnel were hired from around the United States, as well as, within New Jersey, with experience in all aspects of CDBG programs. Managers and staff were retained in areas of homeownership housing, multifamily, rental and supportive housing, economic development, policy and reporting, finance, monitoring and compliance. The administrative budget is used to fund administrative staff costs, IT, reporting and technical experts to advise on CDBG-DR policy and program implementation.

All administrative expenses this quarter are reflected in the Admin Round 2 and Round 3 funding activities.

Activity Description:

Location Description:
TRENTON

Activity Progress Narrative:
This is a continuation of the round 1 (R1) activity. The Sandy Recovery Division (SRD) of the Department of Community Affairs (DCA) was created in the aftermath of Superstorm Sandy to administer the CDBG Disaster Recovery (CDBG-DR) funds approved by Congress on January 29, 2013 and allocated to the State of New Jersey. Personnel were hired from around the United States, as well as, within New Jersey, with experience in all aspects of CDBG programs. Managers and staff were retained in areas of homeownership housing, multifamily, rental and supportive housing, economic development, policy and reporting, finance, monitoring and compliance. The administrative budget is used to fund administrative staff costs, IT, reporting and technical experts to advise on CDBG-DR policy and program implementation.

Activity Description:
FUNDING FOR THE OPERATING COSTS ASSOCIATED WITH DAY TO DAY MANAGEMENT OF CDBG-DR PROGRAMS.

Location Description:
TRENTON

Activity Progress Narrative:
This is a continuation of the Round 1 (R1) activity. Expenditures this quarter are reported in both Round 2 (R2) and Round 3 (R3). The Sandy Recovery Division (SRD) of the Department of Community Affairs (DCA) was created in the aftermath of Superstorm Sandy to administer the CDBG Disaster Recovery (CDBG-DR) funds approved by Congress on January 29, 2013 and allocated to the State of New Jersey. Personnel were hired from around the United States, as well as, within New Jersey, with experience in all aspects of CDBG programs. Managers and staff were retained in areas of homeownership housing, multifamily, rental and supportive housing, economic development, policy and reporting, finance, monitoring and compliance. The administrative budget is used to fund administrative staff costs, IT, reporting and technical experts to advise on CDBG-DR policy and program implementation.

**Activity Description:**
The Neighborhood and Community Revitalization (NCR) program will be available to help the Sandy-impacted towns who were further affected by the fire, with demolition and debris removal of the damaged public and privately owned structures; rebuilding of the boardwalk and related public facilities to enhance resiliency; and creation of a redevelopment plan for the revitalization of the Seaside Heights.

**Location Description:**
SEASIDE HEIGHTS, OCEAN COUNTY.

**Activity Progress Narrative:**
This Neighborhood and Community Revitalization (NCR) program was available to help a Sandy-impacted town, specifically Seaside Heights, which was further affected by the fire, with demolition and debris removal of the damaged public and privately owned structures. The demolition and debris removal is complete.

Activity Description:
The Stronger NJ Business Grant Program provides $50,000 grants to eligible businesses for working capital or construction-related needs. As of September 30, 2013, of the total approved amount of $25,223,250 from the program, $0.00 had been disbursed. Jobs reporting for this program is required 6 months after the date of each grant's approval, and therefore will begin to be included in the next QPR. Outreach efforts remaining ongoing, and there are a significant number of applications in the pipeline being processed.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

Activity Progress Narrative:
All new expenditures will be reflected in subsequent funding rounds since round 1 (R1) has been fully disbursed. Overall, the Stronger NJ Business Grant Program has approved 1,118 small businesses for recovery assistance totaling $55,259,768 with 1,074 of these businesses receiving at least one disbursement totaling $51,712,272.62. The EDA continues to undertake surveys to assist businesses to account for those that qualify for LMI jobs. This data evaluation and reclassification process is ongoing and it is anticipated that additional files will be identified and validated as LMI, which will result in additional reclassifications.
EDA continues to make changes within the system to identify and record the LMI benefit at its initial stages.

**Activity Progress Narrative:**
All new expenditures will be reflected in subsequent funding rounds since round 1 (R1) has been fully disbursed. The Stronger NJ Business Grant Program overall has approved 1,118 small businesses for recovery assistance totaling $55,259,768 with 1,074 of these businesses receiving at least one disbursement totaling $51,712,272.62. The EDA continues to receive and evaluate job retention and job creation data provided by each grant recipient and has determined that as a direct result of assistance to projects classified as Urgent Need, 65 jobs have been retained and an additional 28 jobs have been created in the State this quarter.

The EDA continues to undertake surveys to assist businesses to account for those that qualify for LMI jobs. This data evaluation and reclassification process is ongoing and it is anticipated that additional files will be identified and validated as LMI, which will result in additional reclassifications in subsequent QPRs. Furthermore, EDA continues to make changes within the system to identify and record the LMI benefit at its initial stages.

Activity Description:
To assist impacted small businesses in New Jersey in the short term, NJEDA will offer access to capital through low-cost loans to credit-worthy businesses. The products offered will be in the form of direct loans to businesses through NJEDA. The loans are intended to assist businesses that suffered physical damage as a result of Superstorm Sandy as well as spur economic revitalization by providing funding for expansion and business relocation into storm-impacted areas. (LMI) Round 1 05/13/13-05/12/15 Est Program Income $300,000.00

**LMI%:**

**Activity Description:**
Funds will be used to revitalize New Jersey’s tourism and encourage consumer confidence in the impacted regions. The State will develop a comprehensive marketing effort to promote within and outside the State that the impacted areas of New Jersey, including the Jersey Shore, is recovering or open for business. 
(UN) Round 1 05/13/13-05/12/15

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

**Activity Progress Narrative:**
There are no expenditures to report since R1 is fully disbursed. Furthermore, the CDBG-DR funds were used for tourism promotion to benefit Superstorm Sandy-impacted towns. In September 2014, EDA redirected all web domains and social media followers to NJ Travel and Tourism digital assets. The Post-Sandy Tourism campaign undertaken by NJEDA is now concluded.

Activity Description:
Delivery costs to implement the Neighborhood and Community Revitalization program activities to enhance recovery involving demolition, streetscape improvements, development and public improvement projects, and economic recovery.

Location Description:
NINE COUNTIES.

Activity Progress Narrative:
Expenses included within this activity are comprised of program delivery costs across projects consisting of finance, salaries, policies and oversight. The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (DBI).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The DBI Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of
2015 and thus far $1,140,551,78 has been disbursed on projects currently underway.
R1 funding has been completely utilized; therefore, all additional funding will come from subsequent rounds of funding.

**Accomplishments Performance Measures**

**Activity Description:**
Delivery costs to implement the Neighborhood and Community Revitalization program activities to enhance recovery involving demolition, streetscape improvements, development and public improvement projects, and economic recovery.

**Location Description:**
Activity Progress Narrative:
Expenses included within this activity are comprised of program delivery costs across projects consisting of finance, salaries, policies and oversight. The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015 and thus far $1,140,551,78 has been disbursed on projects currently underway.

As the sub-recipient agreements are executed, an individual activity is established for each project. Expenditures this quarter R1 funding has been completely utilized; therefore, all additional funding will come from subsequent rounds of funding.

**Activity Description:**

This program will fund various types of projects including: streetscapes, facade replacements, commercial and mixed-use developments, transformative neighborhood projects, multi-tenant technology business development and improvements to existing/planned park areas. Funds also will be dedicated for CDFIs to support micro-lending.

**Location Description:**

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**

The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015 and thus far $1,140,551,78 has been disbursed on projects currently underway.

As the sub-recipient agreements are executed, an individual activity is established for each project. R2 funds are being drawn down to the extent possible until it is fully exhausted at which point R3 funds will begin to be utilized. Funds for this quarter represent an adjustment to the appropriate activities.

LMI%: 41.58

Activity Description:
The EDA will utilize CDBG-DR funds to support main street revitalization projects in order to advance the recovery of economic activity in the commercial corridors of storm-impacted communities. The program will offer financial assistance to support improvements such as streetscapes, lighting sidewalks, façade, code-related and other physical upgrades to commercial areas with LMI populations.
**Activity Progress Narrative:**

The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015 and thus far $1,140,551,78 has been disbursed on projects currently underway.

As the sub-recipient agreements are executed, an individual activity is established for each project. R2 funds are being drawn down to the extent possible until it is fully exhausted at which point R3 funds will begin to be utilized.

Activity Description:

This program will fund various types of projects including: streetscapes, facade replacements, commercial and mixed-use developments, transformative neighborhood projects, multi-tenant technology business development and improvements to existing/planned park areas. Funds also will be dedicated for CDFIs to support micro-lending.

Location Description:

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:

The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015 and thus far $1,140,551.78 has been disbursed on projects currently underway.

As the sub-recipient agreements are executed, an individual activity is established for each project. R2 funds are being drawn down to the extent possible until it is fully exhausted at which point R3 funds will begin to be utilized. Expenditures are adjusted this quarter to shift to appropriate activity.

Activity Description:
The Stronger NJ Business Grant Program provides $50,000 grants to eligible businesses for working capital or construction-related needs. As of September 30, 2013, of the total approved amount of $25,223,250 from the program, $0.00 had been disbursed. Jobs reporting for this program is required 6 months after the date of each grant’s approval, and therefore will begin to be included in the next QPR. Outreach efforts remaining ongoing, and there are a significant number of applications in the pipeline being processed.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
This R2 activity is a continuation of the Stronger NJ Business Grant Program, as presented in the round 1 (R1) activity. All funds are disbursed from R2 prior to expending funds from R3. Overall, The Program has approved 1,118 small businesses for recovery assistance totaling $55,259,768 with 1,074 of these businesses receiving at least one disbursement totaling $51,712,272.62. The EDA continues to undertake surveys to assist businesses to account for those that qualify for LMI jobs. This data evaluation and reclassification process is ongoing and it is anticipated that additional files will be identified and validated as LMI, which will result in additional reclassifications in subsequent QPRs. Furthermore, EDA continues to make changes within the system to identify and record the LMI benefit at its initial stages.

the date of each grants approval, and therefore will begin to be included in the next QPR. Outreach efforts remaining ongoing, and there are a significant number of applications in the pipeline being processed.

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**
This R2 activity is a continuation of the Stranger NJ Business Grant Program, as reported in the R1 activity. All funds will be disbursed in R2 prior to drawing funds from the R3 activity. The Program has approved 1,118 small businesses for recovery assistance totaling $55,259,768 with 1,074 of these businesses receiving at least one disbursement totaling $51,712,272.62. This quarter 28 jobs were created and an additional 65 were retained as a result of the Grant funding to businesses classified as Urgent Need and are reflected in round 3 (R3) measures.

The EDA continues to undertake surveys to assist businesses to account for those that qualify for LMI jobs. This data evaluation and reclassification process is ongoing and it is anticipated that additional files will be identified and validated as LMI, which will result in additional reclassifications in subsequent QPRs. Furthermore, EDA continues to make changes within the system to identify and record the LMI benefit at its initial stages.

### Activity Description:

To assist impacted small businesses in New Jersey in the short term, NJEDA will offer access to capital through low-cost loans to credit-worthy businesses. The products offered will be in the form of direct loans to businesses through NJEDA. The loans are intended to assist businesses that suffered physical damage as a result of Superstorm Sandy as well as spur economic revitalization by providing funding for expansion and business relocation into storm-impacted areas. (LMI) Round 1 activation 2 07/29/14-07/28/16.

### Location Description:

COUNTRIES: ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN AND UNION.

### Activity Progress Narrative:

This R2 activity is a continuation of the Stronger NJ Business Loan Program R1 activity, which overall has approved 81 businesses cumulatively totaling $64,220,656.82 in assistance to businesses throughout the State. Additionally, 59 of those businesses have received award disbursements totaling $44,425,467.97. The EDA is in the process of collecting and analyzing the job reporting data and will continue to update the figures in the fourth quarter of 2015.

LMI%:

Activity Description:
Funds will be used to revitalize New Jersey's tourism and encourage consumer confidence in the impacted regions. The State will develop a comprehensive marketing effort to promote within and outside the State that the impacted areas of New Jersey, including the Jersey Shore, is recovering or open for business.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
There will be no further expenditures in this activity. In summary, the EDA utilized CDBG-DR funds for tourism promotion to benefit Superstorm Sandy-impacted towns. In 2014 a campaign was conducted under the tagline "Going Strong" to drive visitors to the Jersey Shore. The campaign kicked off in early 2014 in coordination with the NJ Division of Travel and Tourism, and included television, radio and digital media advertising. The campaign's broadcast advertising concluded in May, with digital ads remaining live through mid-August. The results of the campaign were positive for shore town tourism activity, with beach badge sales in many of the impacted towns showing significant increase in sales over 2013 and 2014, with some showing as much as 20 to 30% increases. In September 2014, EDA redirected all web domains and social media followers to NJ Travel and Tourism digital assets. The Post-Sandy Tourism campaign undertaken by NJEDA is now concluded.

LMI%:

Activity Description:
The Borough of Oceanport is seeking funding to make streetscape improvements to East Main Street from Lake Drive to the county bridge. The proposed project is the third phase of streetscape improvements being made to East Main Street. Specific improvements include road paving, the widening of new brick paver sidewalks, crosswalks, decorative lighting, and street trees.

Location Description:
OCEANPORT.

Activity Progress Narrative:
This project is a Streetscape project within the Neighborhood & Community Revitalization program (NCR). The sub-recipient agreement for this project was executed on January 21, 2015 and is in the Design phase with an anticipated groundbreaking in March of 2016. All expenditures this quarter are captured in Round 2. Round 3 funds will be expended after Round 2 is fully disbursed.

LMI%:

Activity Description:
The project includes landscape and lighting improvements along Landis Avenue from 43rd Street to 39th Street in the City's central business district. Improvements include the installation of decorative sidewalk pavers, crosswalks, streetlights, bollards, benches, bike racks, and landscaping including trees and shrubs.

Location Description:
SEA ISLE CITY.

Activity Progress Narrative:
This project is a Streetscape project within the Neighborhood & Community Revitalization program (NCR). The sub-recipient agreement for this project was executed on January 7, 2015. Construction contract has been awarded. Groundbreaking is anticipated to begin on October 15, 2015. Round 3 funds will be expended after Round 2 funds have been fully disbursed.

LMI%:

Activity Description:
The EDA will utilize CDBG-DR funds to support main street revitalization projects in order to advance the recovery of economic activity in the commercial corridors of storm-impacted communities. The program will offer financial assistance to support improvements such as streetscapes, lighting sidewalks, facades, code-related and other physical upgrades to commercial areas with an urgent need of such assistance.

**Location Description:**
Keansburgh; Hoboken; Asbury Park; Sea Bright; Cape May; Point Pleasant; Beach Haven; Lacey; Somers Point; Tuckerton; Keyport; Carlstadt; Brigantine City; South Toms River; Little Egg Harbor.

**Activity Progress Narrative:**
The Neighborhood and Community Revitalization Program (NCR) consists of two program types: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015.

All expenditures in this quarter have been captured in Round 3.

Activity Description:
The EDA will utilize CDBG-DR funds to support main street revitalization projects in order to advance the recovery of economic activity in the commercial corridors of storm-impacted communities. The program will offer financial assistance to support improvements such as streetscapes, lighting sidewalks, facades, code-related and other physical upgrades to commercial areas with an urgent need of such assistance.

Location Description:
Keansburgh; Hoboken; Asbury Park; Sea Bright; Cape May; Point Pleasant; Beach Haven; Lacey; Somers Point; Tuckerton; Keyport; Carlstadt; Brigantine City; South Toms River; Little Egg Harbor.

Activity Progress Narrative:
The Neighborhood and Community Revitalization Program (NCR) currently consists of two subprograms: The Streetscape Program and the Development & Public Improvement Program (D&I).

The Streetscape Program consists of 15 unique construction related projects. At the end of third quarter of 2015, 15 of these projects have received their AUGF from HUD with 12 of these projects executing their sub-recipient agreements. Most of these projects anticipate breaking ground in the fall of 2015 and thus far $48,074.08 has been disbursed.

The D&I Program consists of 20 construction related projects with 2 completed (Seaside Heights and Seaside Park). Of the remaining 18 projects, 17 have received their AUGF from HUD and 8 of those projects have executed their sub-recipient agreements. These projects anticipate breaking ground in the fall of 2015 and thus far $1,140,551,78 has been disbursed on projects currently underway.

As the sub-recipient agreements are executed, an individual activity is established for each project. R2 funds are being drawn down to the extent possible until it is fully exhausted at which point R3 funds will begin to be utilized.

**Activity Description:**
To assist impacted small businesses in New Jersey in the short term, NJEDA will offer access to capital through low-cost loans to credit-worthy businesses. The products offered will be in the form of direct loans to businesses through NJEDA. The loans are intended to assist businesses that suffered physical damage as a result of Superstorm Sandy as well as spur economic revitalization by providing funding for expansion and business relocation into storm-impacted areas. (LMI)

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**
This R3 activity is a continuation of the Stronger NJ Business Grant Program, as reported in the R1 and R2 activities which have been fully expended. Overall, the Program has approved 1,118 small businesses for recovery assistance totaling $55,259,768 with 1,074 of these businesses receiving at least one disbursement totaling $51,712,272.62.

The EDA continues to undertake surveys to assist businesses to account for those that qualify for LMI jobs. This data evaluation and reclassification process is ongoing and it is anticipated that additional files will be identified and validated as LMI, which will result in additional reclassifications in subsequent QPRs. Furthermore, EDA continues to make changes within the system to identify and record the LMI benefit at its initial stages.

**Activity Description:**

To assist impacted small businesses in New Jersey in the short term, NJEDA will offer access to capital through low-cost loans to credit-worthy businesses. The products offered will be in the form of direct loans to businesses through NJEDA. The loans are intended to assist businesses that suffered physical damage as a result of Superstorm Sandy as well as spur economic revitalization by providing funding for expansion and business relocation into storm-impacted areas. (UN)

**Location Description:**

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**

To date, under the Program, 81 businesses received a total of $64,220,656.82 in assistance, reported in both R1 and R2 activities. Additionally, 59 of those businesses have received award disbursements totaling $44,425,467.97. Eleven businesses have received disbursements this quarter in R2 and R3.

The EDA continues its process of collecting and analyzing the job reporting data and will update the figures in the fourth quarter of 2015.

**Activity Description:**

This program will provide critical funding support to eligible applicants (State agencies and local government entities) for some, or all, of the FEMA required non-federal match for FEMA eligible and funded programs (FEMA Public Assistance (PA) and other FEMA funded recovery programs). Eligible FEMA Category A Debris Removal activities provide a public service to the communities affected by Superstorm Sandy; the match provides funding for an unmet need based on cost share for work performed to remove various debris and vegetation from sites under state agency jurisdictions.

**Location Description:**

9 MOST IMPACTED COUNTIES.

**Activity Progress Narrative:**

Progress and expenditures are reflected in subsequent rounds, since Round 1 (R1) is fully disbursed.

LMI%:

Activity Description:

Numerous homes were knocked off their foundations, were left in a state of dilapidation or disrepair, or were made a fire hazard or danger to public health or welfare. This program will provide funding to identify unsafe structures, damaged by Superstorm Sandy, in need of demolition; to demolish unsafe structures; to remove debris; and, to perform any additional activities or address other costs ancillary or related to demolitions.

Location Description:

Sandy impacted counties

Activity Progress Narrative:

As of the end of the quarter, there are approximately 95 eligible properties moving forward for demolition under the USD Program. Results from Tier 2 reviews continue to be received from the Department of Environmental Protection for remaining eligible properties. The Division of Property, Maintenance and Construction (DPMC), which is DCA's partner entity at the Department of Treasury that is responsible for contracting for the demolitions, is procuring the services of design engineering firms for properties that have cleared the environmental review stage and that have been moved forward to DPMC. A total of 26 properties are being evaluated by design engineering firms in two separate work orders. Remaining eligible properties will continue to move through the USD program process as appropriate. All new expenditures will be reported in subsequent rounds since Round 1 is fully disbursed.

Activity Description:
Ensuring that homes are built safer and up to code is necessary to effectively repair and rebuild New Jersey's housing sector. Funds will support home necessary inspections and related activities. In some cases, a home may require more than one inspection.

Location Description:
CAPE MAY COUNTY.

Activity Progress Narrative:
The Borough of West Wildwood requested $10,000 to cover salaries for additional staff. The Borough has utilized $500 of its committed grant funds as of the second quarter 2015. Having met with the Borough, they indicated that they will not be using the remaining obligated funds, therefore the grant agreement will be adjusted accordingly. No further expenditures will be reported for this activity.

Activity Description:
Ensuring that homes are built safer and up to code is necessary to effectively repair and rebuild New Jersey's housing sector. Funds will support home necessary inspections and related activities. In some cases, a home may require more than one inspection.

Location Description:
MONMOUTH COUNTY.

Activity Progress Narrative:
Highlands Borough requested $28,220 to cover salaries, benefits, contract personnel, professional services, travel, and telephone equipment. Round 2 (R2) is now fully disbursed. All new expenditures will be reflected in subsequent funding rounds for this project.

Activity Description:
Financial Assistance will be made available to local governments where Community Disaster Loans are unavailable or insufficient to allow for the continuation of critical/essential public services.

Location Description:
SEASIDE HEIGHTS, OCEAN COUNTY.

Activity Progress Narrative:
Seaside Heights and its residents continue to experience ongoing substantial impact from the effects of Superstorm Sandy. In June 2014, Seaside Heights was awarded an Essential Services Grant of $2,905,000 that enabled the Borough to continue providing services such as public safety, sanitation and public works services to its population, furthering the recovery process. As of the third quarter of 2015, the Borough has been disbursed 100% of its grant award.

Activity Description:
FINANCIAL ASSISTANCE PROVIDED TO SCHOOL DISTRICTS TO SUPPORT TEACHERS SALARIES AT THE SOUTH TOMS RIVER ELEMENTARY SCHOOL.

Location Description:
BOROUGH OF SOUTH TOMS RIVER, OCEAN COUNTY.

Activity Progress Narrative:
Toms River Regional Board of Education, located in Ocean County, is located in one of the most impacted sections of the State. Schools, pupils and educators continue to be substantially impacted by the ongoing effects of Superstorm Sandy. Due to continued need, the Toms River Regional Board of Education was awarded a total of $9,000,000 in Essential Services Grants in June 2014 for the second round to fund teachers. A total of $331,422.41 is classified as Low-Moderate Income area benefit with the balance classified as Urgent Need. The Urgent Need and LMI portions of the total grant award are subject to individual Subrecipient Agreements executed by the parties. 100% of the grant funds attributable to LMI area have been disbursed.

LMI%:

Activity Description:
Numerous homes were knocked off their foundations, were left in a state of dilapidation or disrepair, or were made a fire hazard or danger to public health or welfare. This program will provide funding to identify unsafe structures, damaged by Superstorm Sandy, in need of demolition; to demolish unsafe structures; to remove debris; and, to perform any additional activities or address other costs ancillary or related to demolitions.

**Location Description:**
NINE SANDY-IMPACTED COUNTIES.

**Activity Progress Narrative:**
As of the end of the quarter, there are approximately 95 eligible properties moving forward for demolition under the USD Program. Results from Tier 2 reviews continue to be received from the Department of Environmental Protection for remaining eligible properties. The Division of Property, Maintenance and Construction (DPMC), which is DCA’s partner entity at the Department of Treasury that is responsible for contracting for the demolitions, is procuring the services of design engineering firms for properties that have cleared the environmental review stage and that have been moved forward to DPMC. A total of 26 properties are being evaluated by design engineering firms in two separate work orders. Remaining eligible properties will continue to move through the USD program process as appropriate.

Cumulative Actual Total / Expected Total
Numerous homes were knocked off their foundations, were left in a state of dilapidation or disrepair, or were made a fire hazard or danger to public health or welfare. This program will provide funding to identify unsafe structures, damaged by Superstorm Sandy, in need of demolition; to demolish unsafe structures; to remove debris; and, to perform any additional activities or address other costs ancillary or related to demolitions.

Location Description:
NINE SANDY-IMPACTED COUNTIES.

Activity Progress Narrative:
As of the end of the quarter, there are approximately 95 eligible properties moving forward for demolition under the USD Program. Results from Tier 2 reviews continue to be received from the Department of Environmental Protection for remaining eligible properties. The Division of Property, Maintenance and Construction (DPMC), which is DCA’s partner entity at the Department of Treasury that is responsible for contracting for the demolitions, is procuring the services of design engineering firms for properties that have cleared the environmental review stage and that have been moved forward to DPMC. A total of 26 properties are being evaluated by design engineering firms in two separate work orders. Remaining eligible properties will continue to move through the USD program process as appropriate.

Activity Description:
Ensuring that homes are built safer and up to code is necessary to effectively repair and rebuild New Jersey's housing sector. Funds will support home necessary inspections and related activities. In some cases, a home may require more than one inspection.

Location Description:
CAPE MAY COUNTY.

Activity Progress Narrative:
The Borough of West Wildwood requested $10,000 to cover salaries for additional staff. The Borough has utilized $500 of its committed grant funds as of the second quarter 2015. Having met with the Borough, they indicated that they will not be using the remaining obligated funds, therefore the grant agreement will be adjusted accordingly. No further expenditures will be reported for this activity.

**Location Description:**
TOMS RIVER, OCEAN COUNTY.

**Activity Progress Narrative:**
Toms River Regional Board of Education, located in Ocean County, is located in one of the most impacted sections of the State. Schools, pupils and educators continue to be substantially impacted by the ongoing effects of Superstorm Sandy. Due to continued need, the Toms River Regional Board of Education was awarded a total of $7,342,361 in Essential Services Grants in June 2015 to fund teachers. A total of $7,098,049.20 is classified as Urgent Need with the balance classified as Low-Moderate Income area benefit. The Urgent Need and LMI portions of the total grant award are subject to individual Subrecipient Agreements executed by the parties. No funds were disbursed this quarter.

Activity Description:
Numerous homes were knocked off their foundations, were left in a state of dilapidation or disrepair, or were made a fire hazard or danger to public health or welfare. This program will provide funding to identify unsafe structures, damaged by Superstorm Sandy, in need of demolition; to demolish unsafe structures; to remove debris; and, to perform any additional activities or address other costs ancillary or related to demolitions.
Location Description:
NINE SANDY-IMPACTED COUNTIES.

Activity Progress Narrative:
As of the end of the quarter, there are approximately 95 eligible properties moving forward for demolition under the USD Program. Results from Tier 2 reviews continue to be received from the Department of Environmental Protection for remaining eligible properties. The Division of Property, Maintenance and Construction (DPMC), which is DCA’s partner entity at the Department of Treasury that is responsible for contracting for the demolitions, is procuring the services of design engineering firms for properties that have cleared the environmental review stage and that have been moved forward to DPMC. A total of 26 properties are being evaluated by design engineering firms in two separate work orders. Remaining eligible properties will continue to move through the USD program process as appropriate. The national objective is determined on the area benefit of the property within the community census tract. It is anticipated that most properties will be urgent need. None have yet been determined to meet the LMI national objective to date.

NINE SANDY-IMPACTED COUNTIES.

Activity Progress Narrative:
As of the end of the quarter, there are approximately 95 eligible properties moving forward for demolition under the USD Program. Results from Tier 2 reviews continue to be received from the Department of Environmental Protection for remaining eligible properties. The Division of Property, Maintenance and Construction (DPMC), which is DCA’s partner entity at the Department of Treasury that is responsible for contracting for the demolitions, is procuring the services of design engineering firms for properties that have cleared the environmental review stage and that have been moved forward to DPMC. A total of 26 properties are being evaluated by design engineering firms in two separate work orders. Remaining eligible properties will continue to move through the USD program process as appropriate.

Activity Description:
Many Sandy-impacted homeowner had significant property damage to their residences and have suffered diminished property values. Moreover, some homeowners whose residences were substantially damaged by the storm will be required to elevate their residences. Additionally, with the passage of the Biggert-Waters Flood Insurance Act, flood insurance premiums for many are likely to rise, particularly for residences not above FEMA’s base flood elevation. All of these costs threaten to force homeowners, and particularly LMI households, to leave their communities. The Homeowner Resettlement program is targeted to alleviate some of the pressures facing homeowners impacted by Superstorm Sandy.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union
Activity Progress Narrative:
The program continues to review the residency status for recipients of funding from the Homeowner Resettlement Program. No direct households were funded
in this category during the reporting period. The expenditures reported in this quarter represent program delivery operation costs. All expenditures will be
represented in subsequent rounds since Round 1 (R1) is closed.

Activity Description:
The RREM program will provide grant awards to eligible homeowners for activities necessary to restore their storm-damaged homes, including rehabilitation, reconstruction, elevation and/or other mitigation activities. The program will also provide reimbursement for eligible expenses incurred prior to the implementation of this program. (LMI) (SF) Round 1 05/13/13-05/12/15

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

Activity Progress Narrative:
Riding the momentum from the previous quarter, another 760 RREM projects completed construction during the third quarter of 2015. It is important to note that of the 760, 558 were completed between July 1 and September 30, 2015. Mid-way through the second quarter of 2015, the definition of “construction complete” for Pathway A projects, changed. Construction is considered complete for a Pathway A project if the applicant has signed a grant award. The second quarterly performance report did not capture the entire population of Pathway A projects under this new definition.

However, these Pathway A projects are now being added to the third quarter to improve accuracy. With the addition of these projects, the total number of completed homes through all quarters has increased to 1,788. It is anticipated that the number of completed projects in the fourth quarter may not match the second or third quarters. Construction projects do not progress as quickly in the winter months.

At this point in time, 93% of eligible applicants have signed a grant award agreement with the RREM Program. By the end of the fourth quarter, the RREM Program will have very few grant award agreements left to sign. The focus of the RREM Program will be to get all eligible applicants past the grant signing stage and into construction. Over 3,500 projects are in construction at this point and almost another 2,000 are preparing to start construction activities.

The efforts of this vigorous RREM Program activity has resulted in $636,293,174.83 of Community Development Block Grant Disaster Recovery (CDBG-DR) funding being disbursed to eligible applicants.

**LMI%:**

---

**Activity Description:**

Acquisition in support of demolition. The funding is being provided to buyout flood-prone properties and convert them to create open areas that can help
absorb flood waters in future storms, making the state more resilient to future weather events. Buyouts may also allow communities to create, or add to, to local park lands, or expand wetlands, forest and wildlife advantage areas. Round 1 - Activation 2 07/29/2014 - 07/28/2016.

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**
In the Township of Old Bridge, it has been determined that 21 out of the 29 flood-prone properties included in the Blue Acres Buyout Program are located in an area to meet the LMI area benefit. During the third quarter 2015, 4 more property owners were made offers by the New Jersey Department of Environmental Protection to purchase their property. 4 out of 5 properties that have tenants identified, have been made offers. The last offer will not be made until compliance has been fully met under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). Out of the 20 offers that have been made, 15 offers were accepted, 3 property owners have requested an appraisal appeal, and the other 2 property owners have yet to make a decision. Purchase agreements for the accepted offers, totaling approximately $1.25 million, have been sent to the sellers.

In addition, Program Delivery costs were incurred this quarter and will be reported in the next quarter.

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
There are now 39 flood-prone properties reported in the City of Linden included in the Blue Acres Buyout Program (2 earlier reported properties became ineligible due to issues with primary residence and 2 others are bank owned). During the third quarter 2015, 5 additional property owners were made offers by the New Jersey Department of Environmental Protection to purchase their property. 4 out of the 9 properties that have tenants identified, have been made offers. The other 5 offers will not be made until compliance has been fully met under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). Out of the 34 offers that have been made, 22 offers were accepted, 3 offers have been rejected, 3 property owners have requested an appraisal appeal, 1 property owner is unresponsive, and 5 property owners have yet to make a decision. 1 property has been purchased for $195K. This property will still need to be demolished. Purchase agreements for the other accepted offers, totaling approximately $3 million, have been sent to sellers.

In the Township of Old Bridge, 8 properties among the 29 flood-prone properties included in the Blue Acres Buyout Program, do not meet the LMI threshold. During the third quarter 2015, 2 more property owners have accepted their offers. Out of the 8 offers that have been made, 3 offers were accepted, 2 property owners have requested an appraisal appeal, 1 property owner is explicitly not interested, and 2 property owners have yet to make a decision. Purchase agreements for the accepted offers, totaling approximately $525K, have been sent to sellers.

In addition, program delivery costs were incurred this quarter in this activity. These costs will be reported in the next quarter.

### Activity Description:

RELOCATION PAYMENTS AND ASSISTANCE.

### Location Description:

NINE IMPACTED COUNTIES.

### Activity Progress Narrative:

There are 5 tenants in the LMI area of benefit in Old Bridge Township who may be displaced as a result of the buyout and demolition by the New Jersey Department of Environmental Protection's Superstorm Sandy Blue Acres Buyout Program. The displaced tenants may be eligible for relocation assistance and payments under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). No tenant relocation payments have been made yet.

### Activity Description:

Funds will target LMI households that may have been eligible for RREM assistance but did not submit an application during the RREM application period. Round 1 - Activation 2 07/29/2014 - 07/28/2016.

### Location Description:

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

### Activity Progress Narrative:

During this quarter, the LMI Homeowner Rebuilding Program has determined eligibility for award of 457 applicants. 89 of the 457 LMI applicants will have a Grant Signing in the upcoming quarter, as 37 applicants are in Pre-Grant Signing File Review and 52 Applicants are in Award Calculation Review. After grant signings, the first round of LMI payments are anticipated to be disbursed. Additional applicants are moving toward grant determination in the fieldwork and grant award stage. Expenditures this quarter represent program delivery cost.

Activity Description:
Many Sandy-impacted homeowner had significant property damage to their residences and have suffered diminished property values. Moreover, some homeowners whose residences were substantially damaged by the storm will be required to elevate their residences. Additionally, with the passage of the Biggert-Waters Flood Insurance Act, flood insurance premiums for many are likely to rise, particularly for residences not above FEMA’s base flood elevation. All of these costs threaten to force homeowners, and particularly LMI households, to leave their communities. The Homeowner Resettlement program is targeted to alleviate some of the pressures facing homeowners impacted by Superstorm Sandy.

Location Description:
COUNTIES: ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN, AND UNION.

Activity Progress Narrative:
This is a continuation of the Round 1 (R1) activity. The program continues to approve final applicants and review the residency requirement for recipients of
the Homeowner Resettlement funds. Three-year residency is a condition of the award. In addition, the program has begun to recover funds from applicants that are no longer compliant with the program requirements. Expenditures are for program delivery operations costs incurred this quarter.

**Activity Description:**

The RREM program will provide grant awards to eligible homeowners for activities necessary to restore their storm-damaged homes, including rehabilitation, reconstruction, elevation and/or other mitigation activities. The RREM program will provide grant awards to eligible homeowners for activities necessary to restore their storm-damaged homes, including rehabilitation, reconstruction, elevation and/or other mitigation activities. The program will also provide reimbursement for eligible expenses incurred prior to the implementation of this program. (LMI) (SF) Round 1, Activation 2 07/29/14-07/28/16.

**Location Description:**

COUNTIES: ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN, AND UNION.

**Activity Progress Narrative:**

Riding the momentum from the previous quarter, another 760 RREM projects completed construction during the third quarter of 2015. It is important to note that of the 760, 558 were completed between July 1 and September 30, 2015. Mid-way through the second quarter of 2015, the definition of "construction complete" for Pathway A projects, changed. Construction is considered complete for a Pathway A project if the applicant has signed a grant award. The second quarterly performance report did not capture the entire population of Pathway A projects under this new definition.

However, these Pathway A projects are now being added to the third quarter to improve accuracy. With the addition of these projects, the total number of completed homes through all quarters has increased to 1,788. It is anticipated that the number of completed projects in the fourth quarter may not match the second or third quarters. Construction projects do not progress as quickly in the winter months.

At this point in time, 93% of eligible applicants have signed a grant award agreement with the RREM Program. By the end of the fourth quarter, the RREM Program will have very few grant award agreements left to sign. The focus of the RREM Program will be to get all eligible applicants past the grant signing stage and into construction. Over 3,500 projects are in construction at this point and almost another 2,000 are preparing to start construction activities.

The efforts of this vigorous RREM Program activity has resulted in $636,293,174.83 of Community Development Block Grant Disaster Recovery (CDBG-DR) funding being disbursed to eligible applicants.

Activity Progress Narrative:
Riding the momentum from the previous quarter, another 760 RREM projects completed construction during the third quarter of 2015. It is important to note that of the 760, 558 were completed between July 1 and September 30, 2015. Mid-way through the second quarter of 2015, the definition of "construction complete" for Pathway A projects, changed. Construction is considered complete for a Pathway A project if the applicant has signed a grant award. The second quarterly performance report did not capture the entire population of Pathway A projects under this new definition.

However, these Pathway A projects are now being added to the third quarter to improve accuracy. With the addition of these projects, the total number of completed homes through all quarters has increased to 1,788. It is anticipated that the number of completed projects in the fourth quarter may not match the second or third quarters. Construction projects do not progress as quickly in the winter months.

At this point in time, 93% of eligible applicants have signed a grant award agreement with the RREM Program. By the end of the fourth quarter, the RREM Program will have very few grant award agreements left to sign. The focus of the RREM Program will be to get all eligible applicants past the grant signing stage and into construction. Over 3,500 projects are in construction at this point and almost another 2,000 are preparing to start construction activities.

The efforts of this vigorous RREM Program activity has resulted in $636,293,174.83 of Community Development Block Grant Disaster Recovery (CDBG-DR) funding being disbursed to eligible applicants.

Total Funds Expended: New Jersey Department of Community Affairs $86,465.06 $86,465.06
Match Contributed: $0.00 $0.00

Activity Description:
Funds will target LMI households that may have been eligible for RREM assistance but did not submit an application during the RREM application period.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
This is a continuation of the Round 2 (R2) activity. The LMI Program will exhaust all Round 2 (R2) funds before drawing Round 3 (R3) funds. During this quarter, the LMI Homeowner Rebuilding Program has determined eligibility for award of 457 applicants. 89 of the 457 LMI applicants will have a Grant Signing in the upcoming quarter, as 37 applicants are in Pre-Grant Signing File Review and 52 Applicants are in Award Calculation Review. After grant signings, the first round of LMI payments are anticipated to be disbursed. Additional applicants are moving toward grant determination in the fieldwork and grant award stage. Expenditures this quarter represent program delivery cost.

Activity Description:
Many Sandy-impacted homeowner had significant property damage to their residences and have suffered diminished property values. Moreover, some homeowners whose residences were substantially damaged by the storm will be required to elevate their residences. Additionally, with the passage of the Biggert-Waters Flood Insurance Act, flood insurance premiums for many are likely to rise, particularly for residences not above FEMA’s base flood elevation. All of these costs threaten to force homeowners, and particularly LMI households, to leave their communities. The Homeowner Resettlement program is targeted to alleviate some of the pressures facing homeowners impacted by Superstorm Sandy.

Location Description:
COUNTIES: ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONOUTH, OCEAN AND UNION.

Activity Progress Narrative:
This is a continuation of the Round 1 (R1) and Round 2 (R2) activities. Expenditures this quarter represent program delivery costs. Performance measures represent the number of applications approved this quarter.

Activity Description:
The RREM program will provide grant awards to eligible homeowners for activities necessary to restore their storm-damaged homes, including rehabilitation, reconstruction, elevation and/or other mitigation activities. The RREM program will provide grant awards to eligible homeowners for activities necessary to restore their storm-damaged homes, including rehabilitation, reconstruction, elevation and/or other mitigation activities. The program will also provide reimbursement for eligible expenses incurred prior to the implementation of this program. (LMI) (SF)

Location Description:
COUNTIES: ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN, AND UNION.

Activity Progress Narrative:
Riding the momentum from the previous quarter, another 760 RREM projects completed construction during the third quarter of 2015. It is important to note that of the 760, 558 were completed between July 1 and September 30, 2015. Mid-way through the second quarter of 2015, the definition of “construction complete” for Pathway A projects, changed. Construction is considered complete for a Pathway A project if the applicant has signed a grant award. The second quarterly performance report did not capture the entire population of Pathway A projects under this new definition.

However, these Pathway A projects are now being added to the third quarter to improve accuracy. With the addition of these projects, the total number of completed homes through all quarters has increased to 1,788. It is anticipated that the number of completed projects in the fourth quarter may not match the second or third quarters. Construction projects do not progress as quickly in the winter months.

At this point in time, 93% of eligible applicants have signed a grant award agreement with the RREM Program. By the end of the fourth quarter, the RREM Program will have very few grant award agreements left to sign. The focus of the RREM Program will be to get all eligible applicants past the grant signing
stage and into construction. Over 3,500 projects are in construction at this point and almost another 2,000 are preparing to start construction activities.

The efforts of this vigorous RREM Program activity has resulted in $636,293,174.83 of Community Development Block Grant Disaster Recovery (CDBG-DR) funding being disbursed to eligible applicants.

Activity Title:
NJ ENERGY RESILIENCE BANK LMI R2

Activity Category:
Rehabilitation/reconstruction of public facilities

Activity Status:
Under Way

Project Title:
Infrastructure

Completed Activity Actual End Date:

Grantee Activity Number:
ERB-EDA-LMI-R2

Project Number:
S01InfrastructureR2

Activity Description:
New Jersey Economic Development Agency will use $200 million in CDBG-DR funds for grants to eligible applicants (initially water and wastewater treatment facilities will be prioritized), that will build energy resilience by ensuring the availability of a highly reliable power supply in the event that a large electrical grid fails (due to storm, or any other incapacitating event).

Location Description:
ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN, UNION.

Activity Progress Narrative:
Expenditures for this quarter are reported in both Round 2 (R2) and Round 3 (R3). As of this quarter, Round 2 (R2) is fully expended.

The extensive damage and outages caused by Superstorm Sandy prompted the State of New Jersey to prioritize its efforts to minimize the potential impacts of future major power outages and increase energy resiliency. The New Jersey Economic Development Authority (NJEDA) committed $200 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funding for the Energy Resilience Bank (ERB) to assist critical facilities with securing resilient energy technologies that will make them less vulnerable to future severe weather events and other emergencies. The first phase of the ERB for Wastewater and Water Treatment facilities launched in October 2014. Outreach is ongoing to potential Wastewater...
and Water Treatment Plants applicants, including municipal, county and regional utility authorities to discuss and review potential projects. The second product offering under ERB for Hospitals and Healthcare Facilities is expected to be launched in the fourth quarter 2015.

Round 3 (R3) funds are being drawn down when the available balance in Round 2 (R2) cannot support a funds request; however, to the extent possible Round 2 (R2) is being utilized until it is fully exhausted at which point Round 3 (R3) funds will be used.

LMI%:

Activity Description:

New Jersey Economic Development Agency will use $200 million in CDBG-DR funds for grants to eligible applicants (initially water and wastewater treatment facilities will be prioritized), that will build energy resilience by ensuring the availability of a highly reliable power supply in the event that a large electrical grid fails (due to storm, or any other incapacitating event).
Location Description:
ATLANTIC, BERGEN, CAPE MAY, ESSEX, HUDSON, MIDDLESEX, MONMOUTH, OCEAN, UNION.

Activity Progress Narrative:
The extensive damage and outages caused by Superstorm Sandy prompted the State of New Jersey to prioritize its efforts to minimize the potential impacts of future major power outages and increase energy resiliency. The New Jersey Economic Development Authority (NJEDA) committed $200 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funding for the Energy Resilience Bank (ERB) to assist critical facilities with securing resilient energy technologies that will make them and by extension, the communities they serve less vulnerable to future severe weather events and other emergencies. The first phase of the ERB for Wastewater and Water Treatment facilities launched in October 2014. Outreach is ongoing to potential Wastewater and Water Treatment Plants applicants, including municipal, county and regional utility authorities to discuss and review potential projects. The second product offering under ERB for Hospitals and Healthcare Facilities is expected to be launched in the fourth quarter 2015.

Expenditures this quarter are reported in both Round 2 (R2) and Round 3 (R3). As of this quarter, Round 2 (R2) funds are fully expended.

LMI%:

Activity Description:
New Jersey Economic Development Agency will use $200 million in CDBG-DR funds for grants to eligible applicants (initially water and wastewater treatment facilities will be prioritized), that will build energy resilience by ensuring the availability of a highly reliable power supply in the event that a large electrical grid fails (due to storm, or any other incapacitating event).

Location Description:
Activity Progress Narrative:
Expenditures this quarter are reported in both Round 2 (R2) and Round 3 (R3). As of this quarter, Round 2 (R2) funds are fully expended. The extensive damage and outages caused by Superstorm Sandy prompted the State of New Jersey to prioritize its efforts to minimize the potential impacts of future major power outages and increase energy resiliency. The New Jersey Economic Development Authority (NIEDA) committed $200 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funding for the Energy Resilience Bank (ERB) to assist critical facilities with securing resilient energy technologies that will make them less vulnerable to future severe weather events and other emergencies. The first phase of the ERB for Wastewater and Water Treatment facilities launched in October 2014. Outreach is ongoing to potential Wastewater and Water Treatment Plants applicants, including municipal, county and regional utility authorities to discuss and review potential projects. The second product offering under ERB for Hospitals and Healthcare Facilities is expected to be launched in the fourth quarter 2015.

**Activity Description:**
This program will provide critical funding support to eligible applicants (State agencies and local government entities) for some, or all, of the FEMA required non-federal match for FEMA eligible and funded programs (FEMA Public Assistance (PA) and other FEMA funded recovery programs). Eligible FEMA Category A Debris Removal activities provide a public service to the communities affected by Superstorm Sandy; the match provides funding for an unmet need based on cost share for work performed to remove various debris and vegetation from sites under state agency jurisdictions.

**Location Description:**
9 MOST IMPACTED COUNTIES.

**Activity Progress Narrative:**
During this quarter, FEMA projects for Category A (debris removal) were monitored for eligible match payments with CDBG funds. No additional payments were closed out by OMB and ready for payment within this quarter.

**Activity Description:**
This program will provide critical funding support for the NJ Department of Transportation’s (NJDOT) non-federal match portion (20%) of Route 35 rehabilitation and reconstruction efforts. The Federal Highway Administration (FHWA) will fund the 80% of the Route 35 project through Sandy supplemental funding.

**Location Description:**
Bay Head, Mantoloking, Brick, Toms River, Lavallette, Berkeley, Seaside Park & Seaside Heights in Ocean County.

**Activity Progress Narrative:**
During the third quarter, the team continued to develop the program’s policies and procedures. The NJDOT provided revised cost estimates as well as project deadlines. No funds were expended this quarter, but are anticipated in the upcoming quarter. In this quarter, the program completed the environmental clearance and executed the MOU between DCA and DOT.

https://drgr.hud.gov/DRGRWeb/qpr.do?_url=report.do&submit=Landing&submit=View
Activity Description:
The Hudson River project, known as the "Resist, Delay, Store, Discharge" project, is a comprehensive urban water strategy that would deploy programmed hard infrastructure and soft landscape for coastal defense (resist); generate policy recommendations, guidelines and urban infrastructure to slow rainwater runoff (delay); develop a circuit of interconnected green infrastructure to store and direct excess rainwater (store); and deploy water pumps and alternative routes to support drainage (discharge). As proposed, a variety of flood risk reduction infrastructure will be built along the Hudson River in order to reduce flood waters, including at Weehawken Cove (to protect Hoboken, Weehawken and critical regional utilities) and by the Hoboken Ferry Terminal. Along Hoboken's downtown thoroughfare, green infrastructure measures, such as permeable paving and rain gardens, would help manage the city's surface water and reduce the risk of flash flooding from rain while enhancing the cityscape. Along NJ Transit's Hudson-Bergen Light Rail, otherwise discrete rainwater storage initiatives would be connected to make a "green circuit." This system would serve as the foundations of a parallel green drainage infrastructure that would reduce the risk of flash flooding from rain, filtering and cleaning storm water and serving as a park for the community. A feasibility study will be completed to determine the final scope of the project and area benefiting.

Location Description:
HOBOKEN, JERSEY CITY & WEEHAWKEN IN HUDSON COUNTY.
Activity Progress Narrative:
Expenditures for this quarter are reported in RBD Urgent Need.

RBD Hudson River Project is currently performing a Feasibility Study and Environmental Impact Statement (EIS). The Feasibility Study is an analysis of the ability to complete a project successfully, taking into account legal, economic, technological, scheduling and other factors.

The EIS is a document prepared to describe the effects of proposed activities on the natural and physical environment and the relationship of people with that environment.

The Feasibility Study began on June 4, 2015. In September, NJDEP’s engineer, Dewberry Engineers, Inc., have been working to gather preexisting information from your local, county, state and federal governments; utility companies servicing the areas, and some private concerns that may have useful information. This effort is being performed in order to gather as much flood related information as possible and also identify areas that additional information may be needed.

Dewberry has been walking throughout the project area trying to locate areas that may be able to be developed into green infrastructure. This green infrastructure will allow for the removal of some impervious surface and replace it with something porous that will delay rainwater from entering the storm sewers. Dewberry and its subcontractors have also installed eight monitoring wells and performed five soil borings in the Project Area. These monitoring wells will allow Dewberry to determine the depth to groundwater. These monitoring wells will be measured over the next few months to determine the seasonal changes to the groundwater levels. The soil borings allow Dewberry to see the types of soil in different areas and determine how much weight the soil can hold.

The EIS process has also begun. The Notice of Intent to Publish a Draft Environmental Impact Statement (NOI) was published in the Federal Register on September 4, 2015. This publication was the official start of the NEPA (National Environmental Policy Act) process. With the publication, came the release of the Draft Scoping Document on September 4, 2015. This document is available both here on the NJDEP website and in your local libraries. This document ("scope") outlines the topics of how a preferred alternative will be determined as well as how the EIS will address the potential environmental impacts of that preferred alternative.

A public meeting took place on September 24, 2015. The meeting was well attended and well received by the community.

LMI%:

Activity Description:

The “New Meadowlands” project proposes an integrated vision of protecting, connecting and growing the Meadowlands. The project as proposed consists of two principle pieces of new infrastructure: the "Meadowpark" and the "Meadowband." The Meadowpark is a large natural reserve made accessible to the public that will also offer flood risk reduction. It would connect and expand marshland restoration efforts. Around and across the Meadowpark, the team proposes an intricate system of berms and marshes. These will protect against ocean surges and collect rainfall, reducing sewer overflows in adjacent towns. The Meadowband, a raised berm that could potentially include transportation across the top, lies at the edge of the Meadowpark. It offers flood protection, connections between towns and wetlands, and will provide opportunities for towns to grow. A feasibility study will be completed to determine the final scope of the project and area benefiting.

Location Description:

KEARNY, LITTLE FERRY, MOONACHE, SOUTH HACKENSACK, SECAUCUS & TETERBORO IN BERGEN & HUDSON COUNTIES.

Activity Progress Narrative:

Expenditures this quarter are reported in RBD Urgent Need.

The Meadowlands Rebuild by Design (RBD) Team continues to work toward securing a qualified Consultant to complete Feasibility/Environmental Impact Statement, Design and Construction Administration for the project. The contract award should be made in mid October. The Department of Treasury is finalizing the RFP for a Construction Management Firm (aka owner’s engineer) that will assist in overseeing the Feasibility/EIS and Design Consultant. The Team is drafting Program Guidelines that will outline policies and procedures to be utilized by the Team. The Team has been meeting monthly with the Executive Steering Committee to discuss progress. The Team has been working with the Subcommittee to populate the Citizen Action Groups that will assist in public outreach obligations. The Team is currently pursuing access agreements with the Meadowlands Commission, Municipalities and Bergen County Utilities Authority and in the future will begin to pursue access agreements with private property owners within the conceptual project area.

Activity Description:
The "New Meadowlands" project proposes an integrated vision of protecting, connecting and growing the Meadowlands. The project as proposed consists of two
principle pieces of new infrastructure: the "Meadowpark" and the "Meadowband." The Meadowpark is a large natural reserve made accessible to the public that
will also offer flood risk reduction. It would connect and expand marshland restoration efforts. Around and across the Meadowpark, the team proposes an
intricate system of berms and marshes. These will protect against ocean surges and collect rainfall, reducing sewer overflows in adjacent towns. The
Meadowband, a raised berm that could potentially include transportation across the top, lies at the edge of the Meadowpark. It offers flood protection,
connections between towns and wetlands, and will provide opportunities for towns to grow. A feasibility study will be completed to determine the final scope of
the project and area benefiting.

Location Description:
KEARNY, LITTLE FERRY, MOONACHE, SOUTH HACKENSACK, SECAUCUS & TETERBORO IN BERGEN & HUDSON COUNTIES.

Activity Progress Narrative:
The Meadowlands Rebuild by Design (RBD) Team continues to work toward securing a qualified Consultant to complete Feasibility/Environmental Impact
Statement, Design and Construction Administration for the project. The contract award should be made in mid October. The Department of Treasury is
finalizing the RFP for a Construction Management Firm (aka owner's engineer) that will assist in overseeing the Feasibility/EIS and Design Consultant. The
Team is drafting Program Guidelines that will outline policies and procedures to be utilized by the Team. The Team has been meeting monthly with the
Executive Steering Committee to discuss progress. The Team has been working with the Subcommittee to populate the Citizen Action Groups that will assist in
public outreach obligations. The Team is currently pursuing access agreements with the Meadowlands Commission, Municipalities and Bergen County Utilities
Authority and in the future will begin to pursue access agreements with private property owners within the conceptual project area.

Activity Description:
Superstorm Sandy significantly reduced rental stock in New Jersey, placing upward pressure on rental prices and making rental housing less affordable. This program supports the needs of displaced LMI households by making rental housing more affordable. Incentive payments will be provided to qualified rental property owners to subsidize the cost of rents.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

Activity Progress Narrative:
All expenditures for this quarter will be reported in subsequent rounds of funding since Round 1 (R1) funding has been fully disbursed.

Location Description:

TOMS RIVER TOWNSHIP, OCEAN COUNTY.

Activity Progress Narrative:

Round 1 (R1) funds are fully disbursed. Additional expenditures for this activity were represented in Round 2 (R2) funds. Property financially closed in the third quarter of 2014 and started to draw down CDBG-DR Funds. Property has completed the drawdown of funds, and construction is completed. Three residents have moved in and their metrics will be reported on next quarter's report. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private funding.

## Activity Description:

70 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN MIDDLESEX COUNTY.

## Location Description:

PERTH AMBOY, MIDDLESEX COUNTY.

## Activity Progress Narrative:

Round 1 (R1) funds are fully disbursed. Expenditures for this quarter can be found in round 2 (R2) and round 3 (R3). The project financially closed on CDBG-DR Funds in the last quarter of 2014, and started to draw down on CDBG-DR Funds in the first quarter of 2015. Construction is over 33% completed, and will be continuing through 2016. The total project cost is funded through leveraging the CDBG-DR funds with private financing.

Activity Description:

To provide multiple funding mechanisms to facilitate the creation of quality, affordable housing units to help New Jersey recover from the loss of multi-family housing. (LMI) Round 1 05/13/13-05/12/15

Location Description:

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

Activity Progress Narrative:

HMFA has financially closed on 31 mortgages of CDBG-DR LMF LMI properties. Construction has started on all of them and will be continuing for most of 2015. This activity serves as a general activity for the funds before the individual activities are approved. Funds are to be adjusted to individual activities.

**Activity Description:**
The Neighborhood Enhancement Program will provide zero percent loans to eligible nonprofit and for-profit developers to purchase and rehabilitate foreclosed, vacant or abandoned properties in targeted communities. The program will support efforts to develop a mixed-income model of rebuilding to prevent concentrations of poverty and rebuild strong neighborhoods. The program will encourage development of affordable rental or homeownership housing in the nine most impacted counties as well as areas deemed priority areas throughout the State. The program is designed to alleviate the shortage of rental and for-sale housing and potential blight caused by the storm. Listed in Action Plan as Blight Reduction Pilot Program. (LMI) Round 1 05/13/13-05/12/15 Est. Program Income $550,000.00

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

**Activity Progress Narrative:**
All new expenditures will be reported in subsequent rounds of funding since round 1 (R1) funding is fully disbursed.

Activity Description:

Superstorm Sandy depleted both owner-occupied and rental housing stock, causing rents to increase. The Sandy Home Buyer Assistance program will provide low and moderate income households the opportunity to purchase a home by providing financial incentives to do so. The program will not only provide an affordable alternative to leasing, but will create a market for rebuilt and restored homes. (LMI) (SF) Round 1 05/13/13-05/12/15

Location Description:

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union

Activity Progress Narrative:

The round 1 (R1) funds are fully disbursed. All expenditures for this quarter are accounted for in the round 2 (R2) and round 3 (R3) activities.

Activity Description:

8 LMI UNITS AFFORDABLE RENTAL HOUSING WITHIN OCEAN COUNTY.

Location Description:

OCEAN COUNTY

Activity Progress Narrative:

The expenditures and performance measures for this project are reported in subsequent rounds. This project received 100% of their award in the second quarter of 2015. Construction is now completed. Leasing in occupants is underway. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

### Activity Description:

15 LMI MULTI-FAMILY UNITS IN MIDDLESEX COUNTY.

### Location Description:

EDISON TOWNSHIP-MIDDLESEX COUNTY.

### Activity Progress Narrative:

Property had completed drawing down their CDBG-DR Funds in 2014. The construction is completed and residents have moved in. Occupancy metrics were reported in the previous quarter and additional occupancy metrics are expected to be completed next quarter. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

Activity Description:
Funding will be dedicated to the construction of quality, permanent supportive housing throughout New Jersey to expand housing options for the special needs population. (LMI)

Location Description:
NJ

Activity Progress Narrative:
All activity for SNH-LMI is allocated to the properties directly or is considered program delivery expenses. As project awards are signed, each project is established as an individual activity. The budget is then removed from this general category, to shift to the specific activity. Any new program delivery expenses will be reflected in subsequent funding rounds since Round 1 funding is fully disbursed.

**Activity Description:**
Superstorm Sandy significantly reduced rental stock in New Jersey, placing upward pressure on rental prices and making rental housing less affordable. This program supports the needs of displaced LMI households by making rental housing more affordable. Incentive payments will be provided to qualified rental property owners to subsidize the cost of rents.

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**
This is a continuation of the Round 1 (R1) activity. 91 project applications totaling 574 units are approved and under contract (approximately $13.63 million).
As of September 30, 2015, there are 449 households that are leased up.

**Activity Description:**
80 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN CAPE MAY COUNTY.

**Location Description:**
MIDDLE TOWNSHIP, CAPE MAY COUNTY.

**Activity Progress Narrative:**
This is a continuation of the Round 1 (R1) activity. Round 2 (R2) funds for this project are fully disbursed. Project has fully expended their CDBG-DR Funds, and 32 residents have moved in. The metrics for the 32 renters will be reflected on next quarter’s report. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

OCEAN TOWNSHIP, MONMOUTH COUNTY.

Activity Progress Narrative:
This project financially closed on their CDBG-DR Funds in the first quarter of 2015. They have started to draw down their funds during construction. Project is now over 30% completed and is expected to complete construction later this year. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing. All additional funds requests will be accounted for in subsequent rounds.

### Activity Description:

To provide multiple funding mechanisms to facilitate the creation of quality, affordable housing units to help New Jersey recover from the loss of multi-family housing. (LMI) Round 2

### Location Description:

NINE SANDY-IMPACTED COUNTIES.

### Activity Progress Narrative:

HMFA has closed on 31 mortgages of CDBG-DR LMF LMI properties. Construction has started on all of them and will be continuing for most of 2015. This activity serves as a general activity for the funds before the individual activities are approved.

Activity Description:
To provide multiple funding mechanisms to facilitate the creation of quality, affordable housing units to help New Jersey recover from the loss of multi-family housing. (UN) Round 2

Location Description:
NINE SANDY-IMPACTED COUNTIES

Activity Progress Narrative:
HMFA has closed on 31 mortgages of CDBG-DR LMF LMI properties. Construction has started on all of them and will be continuing for most of 2015. No funds will be expensed against this activity line item. This activity serves as general fund for projects in the pipeline. When the project/activity is approved, a separate activity and budget will be established and the funds will be transferred from this general account to that activity.

**Activity Description:**
The Neighborhood Enhancement Program will provide zero percent loans to eligible nonprofit and for-profit developers to purchase and rehabilitate foreclosed, vacant or abandoned properties in targeted communities. The program will support efforts to develop a mixed-income model of rebuilding to prevent concentrations of poverty and rebuild strong neighborhoods. The program will encourage development of affordable rental or homeownership housing in the nine most impacted counties as well as areas deemed priority areas throughout the State. The program is designed to alleviate the shortage of rental and for-sale housing and potential blight caused by the storm. Listed in Action Plan as Blight Reduction Pilot Program.

**Location Description:**
NINE SANDY-IMPACTED COUNTIES.

**Activity Progress Narrative:**
This activity captures expenditures for properties with less than 5 units. Several small housing projects received reimbursement for construction activities from Round 2 (R2) funding totaling $116,971.13. This will fully disburse R2. The remainder of expenditures made this quarter are reflected in Round 3(R3).

Projects are at varying stages of development from preconstruction to fully occupied. Occupancy measures are detailed in R3.

LMI%:

Activity Description:
The fund would provide financing to assist nonprofit developers to cover the pre-development costs of properties for housing development.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
On September 30, 2015, the predevelopment loan for Premier Community Development Corporation was financially closed. The proceeds will be used to cover eligible predevelopment expenses for the redevelopment of the Elmwood Gardens site in Plainfield, NJ into a 65 unit affordable housing complex.

The expenditures for this quarter are reported in both Round 2 (R2) and Round 3 (R3). Expenditure details and performance measures are reported in R3.

Activity Description:
Superstorm Sandy depleted both owner-occupied and rental housing stock, causing rents to increase. The Sandy Home Buyer Assistance program will provide low and moderate income households the opportunity to purchase a home by providing financial incentives to do so. The program will not only provide an affordable alternative to leasing, but will create a market for rebuilt and restored homes. (LMI) (SF) Round 1 - Activation 2 07/29/14-07/28/16.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
This activity is a continuation of the round 1 (R1) activity. Round 2 (R2) is fully disbursed with additional expenditures and metrics reported in the round 3 (R3) activity.

Activity Description:

24 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN ESSEX COUNTY.

Location Description:

NEWARK, ESSEX COUNTY.

Activity Progress Narrative:

Project financially closed on the CDBG-DR Funds in the second quarter of 2015, and has started to draw down. As of this quarter, Round 2 (R2) funding has been fully disbursed and future expenditures will be reported in Round 3 (R3).

Construction is over 63% complete and is expected to be completed in early 2016. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

Activity Description:
4 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN BERGAN COUNTY.

Location Description:
MAHWAH, BERGEN COUNTY.

Activity Progress Narrative:
Round 2 (R2) funding is fully disbursed as of this quarter. All additional expenditures can be found in round 3 (R3) activity. Project financially closed on CDBG-DR Funds in the first quarter of 2015 and started to draw down on them in the second quarter of 2015. Construction is over 19% completed and is expected to be completed by the middle of 2016. Total developments cost is funded through leveraging the CDBG-DR Funds with the tax credits and/or private funding.

### Activity Description:

The fund will provide zero interest forgivable loans to existing and new owners of rental properties with 1 to 25 units requiring significant rehabilitation. This program will produce additional rental units in areas facing severe shortages. (limited to 1-4 units) (LMI) (SF) Round 2.

### Location Description:

NINE SANDY-IMPACTED COUNTIES.

### Activity Progress Narrative:

For the Landlord Rental Repair Program (LRRP), the funding for round 2 has been fully disbursed. Round 2 funding has supported program delivery costs. All further expenditures and measures are reported in the subsequent round (R3) of funding.

Activity Description:
Superstorm Sandy significantly reduced rental stock in New Jersey, placing upward pressure on rental prices and making rental housing less affordable. This program supports the needs of displaced LMI households by making rental housing more affordable. Incentive payments will be provided to qualified rental property owners to subsidize the cost of rents.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
The Round 3 (R3) activity is a continuation of the Round 1 (R1) and Round 2 (R2) activities. Round 3 (R3) funds will be expended when Round 2 (R2) funds are exhausted. 91 project applications totaling 574 units are approved and under contract.

### Activity Description:

80 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN CAPE MAY COUNTY.

### Location Description:

MIDDLE TOWNSHIP, CAPE MAY COUNTY.

### Activity Progress Narrative:

This is a continuation of the Round 1 (R1) and Round (R2) activities. Round 3 (R3) funds are fully disbursed. Project has fully expended their CDBG-DR Funds, and 32 residents have moved in. The metrics for the 32 renters will be reflected on next quarter’s report. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

Activity Description:
56 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN HUDSON COUNTY.
Location Description:
HOWELL TOWNSHIP, MONMOUTH COUNTY.

Activity Progress Narrative:
This is a continuation of the Round 1 (R1) and Round 2 (R2) activities. Property will be drawing down from the Round 3 (R3) funds in the next quarter. Property financially closed on CDBG-DR Funds in the third quarter of 2014 and started to draw down funds in the fourth quarter of 2014. Construction is over 90% completed and is expected to finish in 2015. The total project cost is funded through leveraging the CDBG-DR funds with the tax credits and/or private financing.

Activity Description:
70 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN MIDDLESEX COUNTY.

Location Description:
PERTH AMBOY, MIDDLESEX COUNTY.
Activity Progress Narrative:
This is a continuation of the round 1 (R1) and round 2 (R2) activities. The project financially closed on CDBG-DR Funds in the last quarter of 2014, and started to draw down on CDBG-DR Funds in the first quarter of 2015. Construction is over 33% completed, and will be continuing through 2016. The total project cost is funded through leveraging the CDBG-DR funds with private financing.

Activity Description:

50 MIXED USE LMI UNITS OF AFFORDABLE RENTAL HOUSING IN ATLANTIC COUNTY.

Location Description:
PLEASANTVILLE, ATLANTIC COUNTY.

Activity Progress Narrative:
This is a continuation of Round 1 (R1) and Round 2 (R2) funds. Round 2 are fully disbursed. New expenditures will now be accounted for in Round 3. This property started to draw down CDBG-DR funds in the fourth quarter of 2014. Construction is complete, and 21 of the 46 CDBG-DR residents have moved in. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

**Activity Description:**
To provide multiple funding mechanisms to facilitate the creation of quality, affordable housing units to help New Jersey recover from the loss of multi-family housing. (LMI) Round 3.

**Location Description:**
NINE SANDY-IMPACTED COUNTIES.

**Activity Progress Narrative:**
Round 3 (R3) funds are expended once all round 2 (R2) funds are exhausted. All the expenditures for LMF-HMFA-LMI for the last quarter would be done in Round 1 or 2 of the individual property. This is a general holding category before individual activities are established.

Activity Title: Neighborhood Enhancement Program LMI R3
Activity Category: Affordable Rental Housing
Activity Status: Under Way
Project Number: S01RentHsgR3
Project Title: Rental Housing
Projected Start Date: 06/01/2015
Projected End Date: 06/01/2017
National Objective: Low/Mod
Responsible Organization: New Jersey Department of Community Affairs
Benefit Type: Direct Benefit (Households)

Activity Description:
The Neighborhood Enhancement Program will provide zero percent loans to eligible nonprofit and for-profit developers to purchase and rehabilitate foreclosed, vacant or abandoned properties in targeted communities. The program will support efforts to develop a mixed-income model of rebuilding to prevent concentrations of poverty and rebuild strong neighborhoods. The program will encourage development of affordable rental or homeownership housing in the nine most impacted counties as well as areas deemed priority areas throughout the State. The program is designed to alleviate the shortage of rental and for-sale housing and potential blight caused by the storm. Listed in Action Plan as Blight Reduction Pilot Program.

LMI%:
**Activity Description:**
The fund would provide financing to assist nonprofit developers to cover the pre-development costs of properties for housing development.

**Location Description:**
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

**Activity Progress Narrative:**
On September 30, 2015, the predevelopment loan for Premier Community Development Corporation was financially closed. The proceeds will be used to cover eligible predevelopment expenses for the redevelopment of the Elmwood Gardens site in Plainfield, NJ into a 65 unit affordable housing complex.

The expenditures included in Round 2 (R2) and Round 3 (R3) were for predevelopment costs associated with the pre-development of the projects for Middletown Senior Citizens Housing Corporation (Bayshore Village) and the Young Men’s Christian Association of Plainfield (Plainfield YMCA). Expenditures this quarter also include program delivery costs.

The third quarter project status reports were received for United Cerebral Palsy Egg Harbor (Cape May and Egg Harbor), CDC Properties Inc. (Dr. Lena Edwards and Fairmont/Newark4), New Community Corporation (Manor) and Middletown Senior Citizen Housing (Bayshore) which states that the projects are still on track.

**Ancillary Activities**
Activity Description:
Superstorm Sandy depleted both owner-occupied and rental housing stock, causing rents to increase. The Sandy Home Buyer Assistance program will provide low and moderate income households the opportunity to purchase a home by providing financial incentives to do so. The program will not only provide an affordable alternative to leasing, but will create a market for rebuilt and restored homes. (LMI) (SF).

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
This is a continuation of round 2 (R2) funds. In the third quarter of 2015, 27 families received mortgages. During the third quarter the environmental review and clearance was completed by DEP on 32 properties.

Activity Description:

6 LMI UNITS OF AFFORDABLE RENTAL HOUSING WITHIN ESSEX COUNTY.

Location Description:

NEWARK, ESSEX COUNTY.

Activity Progress Narrative:

As of this quarter, round 1 (R1) and round 2 (R2) funds are fully disbursed and subsequent expenses will be reported in this round. Project started to draw down their CDBG-DR Funds in the second quarter of 2015. Construction is over 95% complete and is expected to be completed in 2015. The total project cost is funded through leveraging the CDBG-DR funds with tax credits and/or private financing.

### Activity Description:

4 LMI UNITS OF AFFORDABLE RENTAL HOUSING IN BERGAN COUNTY.

### Location Description:

MAHWAH, BERGEN COUNTY.

### Activity Progress Narrative:

Project expenses this quarter are reported in Round 2 (R2) funding until fully disbursed, and subsequent expenses are recorded in Round 3 (R3). This project financially closed on CDBG-DR Funds in the first quarter of 2015 and started to draw down on them in the second quarter of 2015. Construction is over 19% completed and is expected to be completed by the middle of 2016. Total developments cost is funded through leveraging the CDBG-DR Funds with the tax credits and/or private funding.

Activity Description:
1 LMI UNIT OF AFFORDABLE RENTAL HOUSING.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
All activity for SNH-LMI is allocated to the properties directly or is considered program delivery expenses. As project awards are signed, each project is established as an individual activity. The budget is then removed from this general category, to shift to the specific activity. This is a continuation of the round 1 (R1) and round 2 (R2) activities.

Activity Description:
The fund will provide zero interest forgivable loans to existing and new owners of rental properties with 1 to 25 units requiring significant rehabilitation. This program will produce additional rental units in areas facing severe shortages: (limited to 1-4 units) (LMI) (SF)

Location Description:
NINE SANDY-IMPACTED COUNTIES.

Activity Progress Narrative:
The Landlord Rental Repair Program (LRRP) supports the rehabilitation of damaged rental properties with 25 units or less by providing grants of up to $50,000 per unit, and requires that rehabilitated housing units be leased at affordable rates to LMI tenants. Throughout the third quarter, 69 rental property owners (representing 149 housing units) signed an LRRP grant agreement, 20 properties (representing 27 units) completed construction through the program, and 302 properties (representing 485 units) were under construction. Also, by the end of the third quarter, 27 of the completed housing units were leased at affordable rates to LMI tenants.

LMI%:

Activity Description:

DCA will provide housing counseling services through its existing network of HUD-certified housing counseling agencies. These housing counseling agencies will provide comprehensive counseling services for both homeowners and renters in order to identify all available homeowner and renter programs and other available resources and to assist with application processing and housing counseling, all in one stop locations in all nine of the most impacted counties. The counseling shall include financial literacy training, fair housing counseling including mobility counseling and fair housing rights, and any assistance needed to resident of public and assisted housing that are required to be relocated.

Location Description:

9 COUNTIES

Activity Progress Narrative:

Round 1 (R1) funds have been fully disbursed. All expenditures and performance measures will be reported in subsequent rounds.

Activity Description:
This activity provided funding for lead assessment, lead hazard reduction and clearance. Homes targeted for hazard reduction will be homes impacted by Superstorm Sandy. Round 1 - Activation 2 07/29/2014 - 07/28/2016.

Location Description:
Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

Activity Progress Narrative:
Expenditures for this quarter are reported in both Round 2 (R2) and Round 3 (R3). The expenditures for this activity reflect Department of Community Affairs (DCA) program delivery expenses for the Lead Hazard Reduction Program (LHRP). LHRP sub-recipients are continuing their marketing and outreach efforts. Thus far, a total of 21 completed applications have been received, 13 of which are pending review and 8 of which were determined to be ineligible. In this quarter, the LHRP has provided 151 units of language assistance to Limited English Proficient (LEP) individuals in accordance with the Voluntary Compliance Agreement (VCA).

**Activity Description:**

SANDY HOUSING CHOICE VOUCHERS PROGRAM PROVIDED RENTAL ASSISTANCE TO HOUSEHOLDS WITHOUT HOUSING AS A RESULT OF SUPERSTORM SANDY. THIS ASSISTANCE IS A PUBLIC SERVICE ACTIVITY. USE OF FUNDS IN THIS MANNER PREVENTS HOMELESSNESS AMONG LOW INCOME RESIDENTS IN STORM-IMPACTED COUNTIES.

**Location Description:**

COUNTIES: ATLANTIC, BERGEN, BURLINGTON, CAMDEN, CAPE MAY, CUMBERLAND, ESSEX, GLOUCESTER, HUDSON, MERCER, MIDDLESEX, MONMOUTH, OCEAN, PASSAIC, SOMERSET, SUSSEX AND UNION.

**Activity Progress Narrative:**

Expenditures this quarter are reported in Round 2 (R2) and Round (R3). The program throughout the quarter continued to review applications. The program received about 3,100 applications during the intake phase. A lottery was conducted and 1,900 applications were selected to move forward. The program staff are reaching out to applicants to further verify the required information. The program has issued vouchers to 143 households, who are now proceeding with their housing search.

**Activity Description:**
TO PROVIDE FUNDING FOR THE CONTROL OF THE MOSQUITO POPULATION WITHIN THE NINE SANDY-IMPACTED COUNTIES.
Location Description:
NINE SANDY-IMPACTED COUNTIES.

Activity Progress Narrative:
County Mosquito Control Agencies are proceeding with their grant projects. Warren, Somerset, and Ocean have been reimbursed for the completed portions of their grant work that is in progress. A request from Hudson for reimbursement is in review. Hunterdon, Monmouth, and Sussex are preparing documents to submit for reimbursements. Pesticides were received by Atlantic, Cape May, Cumberland, Hudson, Hunterdon, Middlesex, Morris, Ocean, Salem, Sussex and Warren.

Activity Description:
DCA will provide housing counseling services through its existing network of HUD-certified housing counseling agencies. These housing counseling agencies will provide comprehensive counseling services for both homeowners and renters in order to identify all available homeowner and renter programs and other available resources and to assist with application processing and housing counseling, all in one stop locations in all nine of the most impacted counties. The counseling shall include financial literacy training, fair housing counseling including mobility counseling and fair housing rights, and any assistance needed to resident of public and assisted housing that are required to be relocated.

Location Description:
NINE SANDY-Impacted COUNTIES.

Activity Progress Narrative:
This is a continuation of the Round 1 (R1) and Round 2 (R2) activities. Expenditures are reported in Round 2 (R2) and Round 3 (R3). All performance measures are reported in Round 3 (R3). This quarter, 214 households received housing counseling services from contracted nonprofit organizations.

### Activity Description:

This activity provided funding for lead assessment, lead hazard reduction and clearance. Homes targeted for hazard reduction will be homes impacted by Superstorm Sandy.

### Location Description:

Counties: Atlantic, Bergen, Cape May, Essex, Hudson, Middlesex, Monmouth, Ocean, and Union.

### Activity Progress Narrative:

Expenditures this quarter are reported in both Round 2 (R2) and Round 3 (R3). The expenditures for this activity reflect the Lead Hazard Reduction Program (LHRP) Department of Community Affairs’s (DCA) program delivery expenses, the cost of environmental reviews, program delivery expenses, and outreach and marketing expenses for the LHRP sub-recipients. LHRP sub-recipients continue their outreach and marketing efforts. Potential applicants are being screened for eligibility. LHRP DCA staff is also working with the CDBG-DR Housing Counseling Services (HCS) Program and the Sandy Tenant Based Rental Assistance (TBRA) Program as additional resources to outreach to qualified individuals. Thus far, a total of 21 completed applications have been received, 13 of which are pending review and 8 of which were determined to be ineligible. In this quarter, the LHRP has provided 151 units of language assistance to Limited English Proficient (LEP) individuals in accordance with the Voluntary Compliance Agreement (VCA).

DCA LHRP staff provided LHRP sub-recipients with a Potential Applicants List. This list was created by cross referencing the FEMA List of Sandy Damaged properties, and each county’s list of pre-1978 properties. The final list of properties that matched both lists totaled 14,695 properties.
