

**Document Purpose:** *The purpose of this document is to explain the policies and procedures regarding the selection process for the Tenant-Based Rental Assistance (“TBRA”) Program. For further detail, please refer to the TBRA Program Policies and Procedures available on the program’s website.*

### Selection Process

Priority levels have been established to enable the Program to serve households with the greatest needs. They include:

1. Tenants whose household gross incomes are at or below 30 percent of the Area Median Income for their county, and
2. Tenants who were directly displaced by Superstorm Sandy and who continue to need rental housing assistance.
